## **Slick Money:**

*Money* Martin Amis, 2025-05-20 Named one of Time's 100 best novels in the English language *Money* is savagely hilarious. It risks it all with energy; it even manages to shock *The Washington Post*. Including a new introduction by Lorrie Moore, author of *I Am Homeless If This Is Not My Home*. Originally published in 1984, Martin Amis's classic novel *Money* is a searing critique of late stage capitalism that remains a poignant and relevant commentary on the trappings of materialism and the illusions of success. *Money* is everything. Especially to John Self, a successful commercial director from London. He spends his days steeped in booze and pornography and prostitutes, lost in the hedonistic lifestyle of his peers. But John has bigger dreams, and he sets off for America on the invitation of the filmmaker Fielding Goodney in the hope of getting his first feature film titled *Good Money* off the ground. It is in America where John must contend with his degenerative proclivities or risk the life he's built. *Money* is Martin Amis at his very best, a hilarious, razor sharp and wholly singular storyteller. [Creators](#) Gertrude Margaret Coogan, 2018-12-12 Do you want money made honest for you by the National Government or kept sound for the Money Creators by misgovernment? Do you want U.S. dollars in sufficient number to keep the wolves of depression from your door, or do you want dollars in such overwhelming numbers to deprive them of ALL value as the Money Creators have done in other countries? The reader will ask: Why have not business leaders known that our money system is dishonest? This book, written in 1935 and thus nearing the end of the worldwide Great Depression, contains sound advice for all Americans. **Run For The Money** Eric Beetner, 2016-04-04 Standing between Bo and Slick and 642,000 from the bank job. An empty shotgun. A girlfriend with other plans. One pissed-off mom. Two pissed-off drug dealers. A bitchy landlord. And 48 crazy hours. When this is all over, they'll either be rich in prison or dead. Eric Beetner is the author of *Rumrunners*, *Nine Toes*, *In The Grave*, *The Year I Died Seven Times*, and many more.

His family's in hell 'cause you do the things you do well. Sorry, my son, but the game is over.
