## **Slovo Dostoevskogo 2000 Sbornik Statei:**

### **Profane Challenge and Orthodox Response in Dostoevsky's "Crime and Punishment"** Janet G. Tucker, 2008

Profane Challenge and Orthodox Response in Dostoevsky's Crime and Punishment presents for the first time an examination of this great novel as a work aimed at winning back target readers young contemporary radicals from Utilitarianism nihilism and Utopian Socialism Dostoevsky framed the battle in the context of the Orthodox Church and oral tradition versus the West He relied on knowledge of the Gospels as text received orally forcing readers to react emotionally not rationally and thus undermining the very basis of his opponents arguments Dostoevsky saves Raskolnikov underscoring the inadequacy of rational thought and reminding his readers of a heritage discarded at their peril This volume should be of special interest to secondary and university students as well as to readers interested in literature particularly in Russian literature and Dostoevsky

Dostoevsky and the Dynamics of Religious Experience Malcolm V. Jones, 2005 Dostoevsky and the Dynamics of Religious Experience deals with the religious dimension of the novelist's life and fiction The book is structured through six clearly defined and self-reliant essays that take into account past and current criticism and offers a close textual analysis on Dostoevsky's works including The Double Notes from Underground Crime and Punishment The Idiot The Devils and an in-depth study of The Brothers Karamazov *Das Gedächtnis des Theaters* Sabine Koller, 2005 Editing Turgenev,

Dostoevsky, and Tolstoy Susanne Fusso, 2021-07-15 In *Editing Turgenev* Dostoevsky and Tolstoy Susanne Fusso examines Mikhail Katkov's literary career without vilification or canonization focusing on the ways in which his nationalism fueled his drive to create a canon of Russian literature and support its recognition around the world In each chapter Fusso considers Katkov's relationship with a major Russian literary figure In addition to Turgenev Dostoevsky and Tolstoy she explores Katkov's interactions with Vissarion Belinsky Evgeniia Tur and the legacy of Aleksandr Pushkin This groundbreaking study will fascinate scholars students and general readers interested in Russian literature and literary history

**A History of Russian Literary Theory and Criticism** Evgeny Dobrenko, Galin Tihanov, 2011-11-27 This edited volume assembles the work of leading international scholars in a comprehensive history of Russian literary theory and criticism from 1917 to the post-Soviet age By examining the dynamics of literary criticism and theory in three arenas political intellectual and institutional the authors capture the progression and structure of Russian literary criticism and its changing function and discourse The chapters follow early movements such as formalism the Bakhtin Circle Proletkult futurism the fellow travelers and the Russian Association of Proletarian Writers By the cultural revolution of 1928 literary criticism became a mechanism of Soviet policies synchronous with official ideology The chapters follow theory and criticism into the 1930s with examinations of the Union of Soviet Writers semantic paleontology and socialist realism under Stalin A more humanized literary criticism appeared during the ravaging years of World War II only to be supplanted by a return to the party line Soviet heroism and anti-Semitism in the late Stalinist period During Khrushchev's Thaw there was a remarkable rise in

liberal literature and criticism that was later refuted in the nationalist movement of the long 1970s The same decade saw on the other hand the rise to prominence of semiotics and structuralism Postmodernism and a strong revival of academic literary studies have shared the stage since the start of the post Soviet era For the first time anywhere this collection analyzes all of the important theorists and major critical movements during a tumultuous ideological period in Russian history including developments in emigre literary theory and criticism      *When Art Makes News* Katia Dianina,2012-11-15

From the time the word *kul tura* entered the Russian language in the early nineteenth century Russian arts and letters have thrived on controversy At any given time several versions of culture have coexisted in the Russian public sphere The question of what makes something or someone distinctly Russian was at the core of cultural debates in nineteenth century Russia and continues to preoccupy Russian society to the present day When Art Makes News examines the development of a public discourse on national self representation in nineteenth century Russia as it was styled by the visual arts and popular journalism Katia Dianina tells the story of the missing link between high art and public culture revealing that art became the talk of the nation in the second half of the nineteenth century in the pages of mass circulation press At the heart of Dianina s study is a paradox how did culture become the national idea in a country where few were educated enough to appreciate it Dianina questions the traditional assumptions that culture in tsarist Russia was built primarily from the top down and classical literature alone was responsible for imagining the national community When Art Makes News will appeal to all those interested in Russian culture as well as scholars and students in museum and exhibition studies      **Slavic Review** ,2001

American quarterly of Soviet and East European studies varies      *Lev Shestov* Andrea Oppo,2021-03-02 This study spans the entire life and work of the Russian philosopher Lev Shestov 1866 1938 It offers keys to understanding his thought while also tracing the historical itinerary of his work Shestov s thought is not only interesting in itself as a philosophy fighting against philosophy but also because it reveals an entire world of cultural connections in its extraordinarily keen exploration of other souls The reader will find in Shestov some of the sharpest analyses of authors such as Shakespeare Nietzsche Tolstoi Dostoevskii Luther Plotinus Pascal Kierkegaard and many others This study will better determine the controversial and fascinating philosopher s place in the history of Russian and Western thought      *Dostoevsky Studies* ,2003

## **Slovo Dostoevskogo 2000 Sbornik Statei Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Slovo Dostoevskogo 2000 Sbornik Statei PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Slovo Dostoevskogo 2000 Sbornik Statei PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Slovo Dostoevskogo 2000 Sbornik Statei free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Slovo Dostoevskogo 2000 Sbornik Statei Books**
