Slow Air:

The Sandbridge Waltz and Slow Air Collection: Arranged for Hammered Dulcimer Ken Kolodner, 2013-10-18 This collection is drawn from Ken Kolodner's extensive library of arrangements for the hammered dulcimer developed from over 30 years of teaching thousands of workshops. This second book in this two-book companion collection includes traditional and original waltzes, slow airs, marches, and O Carolan. The repertoire draws primarily from the traditional music of the United States, Old Time, Ireland, Scotland, Quebec, Cape Breton, England, Finland, Sweden, Chile, and Israel. Each tune is presented as a simple melody with chord progression along with one or more detailed arrangements offering a wide range of levels of complexity. Backup and harmony parts are provided for many of the pieces. The book is intended to be a lifetime resource for players of all levels. Kolodner is widely known as one of the most prominent teachers and performers of the hammered dulcimer and is especially known for his teaching of arranging and backup techniques. Place, Culture and Community Johanne Devlin Trew, 2009-10-02 The Ottawa Valley is a region of Canada straddling the Ottawa River in Ontario and Quebec that is well known for its rich singing, storytelling, fiddling, and step dancing traditions. Settled largely by the Irish, Scots, and the French over the past two hundred years, it had the largest concentration of people of Irish origin in Canada by the late 19th century. Travelling through the Valley, one gets the sense of coming face to face with the past. While its dramatic history is filled with incidents of extreme hardship and tragedy, the overriding impression is of a triumphant survivalism associated with its strong men of the past: the voyageurs, the coureurs du bois, and the lumbermen. The legacy of this unique heritage, from fiddling and step dancing to tales of priests, lumbermen, and Orange and Green rivalries, is explored in this book through the voices of Valley people themselves. The author reveals the importance of place and history in the transmission of this vibrant regional culture down to the present day.
