Nothing in all the vast created universe could prepare us for God coming down as a helpless infant or for Jesus the son of God intentionally positioning himself as a mere servant, identifying with the lowest of lows. It's enough to confound the mind to make the heart contrite. This Advent, God's great surprise changes everything. The Leader Guide contains everything needed to guide a group through the 4-week study for Advent, including session plans and discussion questions, as well as multiple format options. *Covenant Companion*, 1999. *Leading the Congregation* Roger Heuser, Norman Shawchuck, 2010. A complete and definitive guide to the practice of church leadership, newly revised. **Transitioning from an Ethnic to a Multicultural Church** Byoung Ok Koo, 2019-12-20. Multicultural churches help us understand God's will for us to become one in this multicultural world and experience a heavenly gathering in advance. This book, based on case studies of four multicultural churches, provides insights and knowledge regarding minority-dominant multicultural churches in the United States. Many multicultural churches in America are mainly concerned about racial reconciliation between the white and the black. On the other hand, resources concerning minority-dominant multicultural churches are scant. With the special attention on Korean immigrant churches, this book contributes to the body of knowledge regarding minority-dominant multicultural churches. Specifically, this book provides a model transition process called the Windmill T process to facilitate the movement of monocultural, monoethnic churches in taking steps towards acquiring the characteristics of multicultural churches. In addition, this book touches on the issue of evangelism in the multicultural church. Although there is limited insight, the book describes what factors first draw different racial/ethnic people to a church and what factors cause them to stay there. All in all, this book will guide you to a deeper understanding on multicultural churches and its practices for all nations beyond ethnic/racial identities. **Insiders' Guide® to Oklahoma City** Deborah Bouziden, 2009-12-22. *Insiders Guide to Oklahoma City* is the essential source for in-depth travel and relocation information to Oklahoma's capital city. Written by a local and true insider, it offers a personal and practical perspective of Oklahoma City and its surrounding environs. *How to Build a Life-Changing Men's Ministry* Steve Sonderman, 2010-03. Presents ideas and guidance for pastors and lay leaders who want to start or improve a men's ministry program at their church. Provided by publisher.
