Prodigals Sarah Beth Childers, 2023-09 Prodigals a memoir in essays explores the life of Sarah Beth Childers wildly creative brother who committed suicide at twenty two and her life with him and after him

through the lens of the Biblical parable of the Prodigal Son This book examines the ways Childers's brother's story was both universal and uniquely Appalachian While the archetype of the prodigal son carries all its assumed baggage the Appalachian setting of Prodigals brings its own influences Childers foregrounds the Appalachian landscape in her narrative depicting its hardwood forests winding roads mining stained creeks and rivers hill clinging goats and cows neighborhoods and trailer parks tucked between mountains The Childers family's fervent religious faith and resistance to medical intervention seems normal in this world as do their conflicting desires to both escape from Appalachia and to stay forever at home Weaving in the stories of other famous prodigals including Branwell Brontë the alcoholic brother of the Brontë sisters Jimmy Swaggart the fallen televangelist Robert Crumb her brother's beloved author of sexist and racist comic books and even herself Childers examines the role of the prodigal within the intimate tapestry of family life and beyond to its larger sociocultural meanings

Blackpilled Meadhbh Park, 2025-04-03 Incels involuntary celibates are often cast as violent misogynistic loners consumed by resentment towards women With shocking tragedies like the 2014 Isla Vista killings and the 2024 Bondi Junction stabbings heightening fears about the threat they pose understanding this phenomenon has never been more crucial But it's important not to view incels as aliens who came down to earth on women hating spaceships from a distant women hating planet Though their belief system referred to as the blackpill is no doubt extreme they haven't constructed it from nothing These young men are shaped by the media they consume and the society that surrounds us In Blackpilled Meadhbh Park takes an unflinching look at the incel movement through the lenses of masculinity and media studies Drawing on interviews with incels across the globe and analysing cultural touchstones such as The Matrix Fight Club Taxi Driver Euphoria Joker and Blade Runner 2049 Park uncovers the origins of their beliefs and what they really think She

also examines potential ways to help incels break free from the nihilistic and hate fuelled grip of the blackpill With extremist misogyny on the rise and governments debating whether incels should be labelled a terror threat Blackpilled delivers urgent thought provoking conclusions that couldn't be more timely The Genesee Farmer and Gardener's Journal ,1836

Album of Dated Latin Inscriptions, Part II, Text Arthur E. Gordon,2023-12-22 The second installment of the Album of Dated Latin Inscriptions from Rome and the Neighborhood offers a rich continuation of epigraphical and palaeographical study covering the period from A D 100 to 199 Building on the foundation laid in Part I this volume intensifies the focus by presenting 102 meticulously selected texts drawn from 179 inscriptions for which squeezes were made The inscriptions many from the city of Rome and its surroundings offer unique insights into the social political and cultural life of the second century Through careful analysis of stonework and lettering this collection provides an invaluable resource for scholars looking to deepen their understanding of Latin epigraphy while maintaining a commitment to accuracy and scholarly rigor In this volume the authors address critiques of Part I by improving the clarity between texts and annotations refining the typographical presentation and enhancing the organization of the plates This careful attention to feedback ensures a more accessible and user friendly experience for researchers Among the highlights of this collection are rare inscriptions published for the first time such as a previously unknown praetor's name from the year 121 and additional texts from the Arval Brethren which pose intriguing questions about the authenticity and chronology of these ancient records The authors also include several inscriptions of great historical significance such as the metrical texts and records of important officials from the era making this volume a critical tool for both seasoned epigraphists and students of Roman history alike This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1964 *Botanical Gazette* ,1929 **Nocturnal** Juan Mayorga,2009-04-16 When you're alone in a big city how far would you go to make a new friend Two men live in the same apartment block One likes long walks Greek myths and foreign languages The other likes making lists fixing bikes and blackmail One day they bump into each other in a local caf Only this is no coincidence one of them has been planning this moment for a very very very long time A brilliant new satire about obsession insomnia and ships that pass in the night this new translation of Nocturnal premiered at Gate Theatre in April 2009
