## **Small Sacrifice:**

*Small Sacrifices* Anne Schiller, 1997-05-22 This is an ethnographic study of the Ngaju Dyaks rain forest dwellers of the remote interior region of Central Kalimantan Indonesian Borneo Like many indigenous peoples the Ngaju have lately been affected by exposure to world religions technological advances and myriad external factors involving their growing incorporation into the rapidly expanding state system Schiller demonstrates that their responses to these pressures are most clearly seen in the religious sphere and involve the recasting and reinterpreting of their indigenous religion She focuses particularly on the changing form and content of tiwah an elaborate ritual of secondary burial with multiple and diverse meanings for Hindu Kaharingan Ngaju as well as for those who have converted to Islam or Christianity **Small Sacrifices** L.E. Luttrell, 2020-10-01 Be careful what you wish for She wanted to be famous But not like this Ellen Gibson always dreamed of being a star At a young age those dreams were shattered Discovering she holds the winning ticket in a 55 million Powerball jackpot Ellen sees it as her opportunity to be in the limelight But at what cost Detective Inspector India Hargreaves and her small team are called in to investigate the disappearance of five year old Joshua Gibson but the investigation is taken over by the big guns from Police Headquarters when it turns out to be a kidnapping When the media and the lead investigator suspect Ellen of being behind the kidnapping her fame disintegrates into a nightmare and she seems powerless to stop events spiralling out of control *Small Sacrifice, Huge Harvest* Natalie Smith, 2012-09-19 In an ever changing economy such as the one we live in it s important that we guard ourselves from the financial temptations that await us Credit is what I believe to be one of the great demises of our society The main reason why it is so difficult for most of us to get from under our credit card debt is because SOCIETY IS DESIGNED TO KEEP US IN DEBT Without Education and Understanding an entity as serious as Credit can keep us in bondage One of the keys to staying in financial control is strategy This book will touch on simple ways to cut expenses lower debt avoid foreclosure and a few other things to help develop a healthy relationship with money **Small Sacrifices** Ann Rule, 2021 The story of an Oregon woman convicted of shooting her three children killing one in 1983 Long Days of Small Things Catherine McNiel, 2017-03-07 Rich soul inspiring practices for moms who have neither quiet nor time Dirty laundry crayon smeared bills and smashed crackers And there s your Bible buried under a pile of diapers Bleary eyed from lack of sleep without a moment of peace and quiet you wonder if the spiritual life you crave is even possible But God sees you He designed this parenting journey after all He understands the chaos of motherhood And he joins you in everything whether you re scrubbing the floor nursing a fussy newborn or driving to soccer practice Catherine McNiel invites you to connect with God right here in the sacred mundane of every mothering moment **Small Teaching Online** Flower Darby, James M. Lang, 2019-05-15 Find out how to apply learning science in online classes The concept of small teaching is simple small and strategic changes have enormous power to improve student learning Instructors face unique and specific challenges when teaching an online course This book offers

C. Hansen, 2006-06-19 A seminal reference to electrically small antennas for today's wireless and Wi-Fi world This book is dedicated to the challenges posed by electrically small antennas and their solutions Electrically small antennas have characteristics that limit performance low radiation resistance high reactance low efficiency narrow bandwidth and increased loss in the matching network Most of these limitations are shared by two other classes of antennas superdirective and superconducting antennas All three classes of antennas are thoroughly treated in three interrelated parts Part One Electrically Small Antennas begins with a discussion of the fundamental limitations of bandwidth and matching then provides detailed design information on loaded whips and dipoles ferrite loops patches with unusual substrates and dielectric resonator antennas In addition to exploring designs that work the author sets forth antenna designs that are based on good physics yet are poor performers as well as designs with both poor underlying physics and poor performance Part Two Superdirective Antennas sets forth basic capabilities and limitations of superdirective antennas both apertures and arrays and investigates bandwidth efficiency and tolerances The author explores the magnification of intrinsic matching circuit loss due to a large mismatch and evaluates the recent and promising non Foster matching circuits Part Three Superconducting Antennas reviews superconductivity concepts and new principles for dipole loop and patch antennas The author concludes with a discussion of superconducting delay lines for wideband phased array steering Throughout the book the author provides readers with a historical perspective setting forth what has been investigated what works and what does not Each part has its own author index and a list of references to help readers continue their explorations of particular topics With the explosive demand for wireless and Wi-Fi this seminal reference is essential reading for all antenna professionals and is recommended as a graduate level course book

**Small Town Big Rumors** Willow Winters, He tasted like tequila and the fake name I gave him was Rose Four years ago I decided to get over one man by getting under another A single night and nothing more I found my handsome stranger with a shot glass and charming but devilish smile at the end of the bar The desire that hit his eyes the second they landed on me ignited a spark inside me instant and hot He was perfect and everything I didn't know I needed That one night may have ended but I left with much more than a memory Four years later and with a three year old in tow the man I still dream about is staring at me

from across the street in the town I grew up in I don't miss the flash of recognition or the heat in his gaze The chemistry is still there even after all these years I just hope the secrets and regrets don't destroy our second chance before it's even begun
