by rebellion into a peaceful harmonious future But appearances can be deceiving In order to achieve his dangerous ambitions Gold knows he must do more than catch the rebels he must destroy the hope their message represents from the inside out With dissension in his own camp and the CityWatch soldiers closing in Remko feels control slipping through his fingers To protect those he loves he must conquer his fears and defeat Gold before one of them becomes his undoing The Returning Twenty years have passed since Carrington and Remko Brant's baby Elise was kidnapped and they were forced to leave her captive in the Authority City Though they fled with the Seers far from Authority reach they've never given up hope of rescuing their daughter from the man who betrayed them Now Authority President he's ushered the city into a new era of peace one where the Scientist Roth Reynard's Genesis Serum has eradicated all memory of emotion or rebellion But the mysterious Aaron and his Seers are once again on the move threatening the illusion the Authority has worked so hard to build As the Seers send seven chosen warriors to rescue Elise and bring restoration to the Authority City the lines are drawn for a final battle between light and darkness The key to ultimate victory may rest within the strangely powerful girl who has felt forgotten but was never abandoned a truth she'll need to wage war against the powerful forces of evil
