Atwood,2016-03-29 Where are all the good people to date Why do I always end up with the wrong person Why is love so hard to find This upbeat and on target book answers these questions and many more providing today s singles with a blueprint for creating rewarding dating experiences *The Smart Stepfamily Guide to Financial Planning* Ron L. Deal,Greg S.

Pettys,David O. Edwards,2019-09-17 Money issues are a frequent source of conflict in all marriages But blended families are a monetary minefield Debts bills and child support payments from previous relationships often influence the finances of a blended family And planning for college expenses retirement and inheritance gets even more complicated in remarriage These issues can explode couple unity and blow up developing family harmony However proper blended family money management can make money an asset to your relationship not a liability The authors use over 50 years of combined financial planning and blended family educational experience to help you envision your combined financial future and plan for how you ll get there You ll discover practical ways to merge your current financial realities and protect your marriage while doing so Get real world financial advice specific to unique blended family legal and relational matters so you can provide for your family both now and in the future *A Man's Guide to Healthy Aging* Edward H. Thompson Jr.,Lenard W. Kaye,2013-11-25 Explores all aspects of health as men reach middle age and beyond As they reach middle age most men

begin looking forward to what's next. They gear up to experience renewed productivity and purpose and are more conscious of their health. A Man's Guide to Healthy Aging is an authoritative resource for them and for older men as well. In collaboration with a variety of medical experts, the authors provide a comprehensive guide to healthy aging from a man's perspective. Edward H. Thompson Jr. and Lenard W. Kaye, a medical sociologist and a gerontologist and social worker, offer invaluable information in four parts. Managing Our Lives describes the actions men can take to stay healthy. Here is information about how to eat well, reduce stress, and stay active for better overall health. Mind and Body considers how physical health and state of mind are connected. It explores sleep, drug and alcohol use, spirituality, and attitudes about appearance and explains how all of these factors affect mental health. Bodily Health examines how body systems function and what changes may occur as men age. It covers the body from head to toe and reviews how to manage chronic diseases such as cancer, diabetes, and heart conditions. Living with Others shows the importance of interacting with friends and family. Topics include sexual intimacy, friendship, and caregiving, as well as how men can make the best decisions about end-of-life issues for themselves and their loved ones. Refuting the ageist stereotype that men spend their later years winding down, this book will help men reinvent themselves once, twice, or more by managing their health, creating new careers, and contributing their skills and experiences to their communities.

Swipe Smart, Stay Safe David Patterson, 2025-09-16 Dating apps are no longer just for adults; teens are experimenting with them too, often in secret. For parents, this raises tough questions: How do you protect your child from risks without shutting down communication? How do you teach safety and consent in a digital first dating culture? **Swipe Smart Stay Safe** is a practical guide for parents who want to approach this sensitive topic with clarity, confidence, and compassion. Instead of fear-driven lectures, you'll learn how to start open conversations about consent, privacy, and respectful behavior online. This book provides step-by-step conversation guides, safety checklists, and boundary setting strategies to help your teen navigate dating apps responsibly if and when they encounter them. With insights into how these platforms actually work, common risks, and ways to foster trust, this guide empowers parents to protect without smothering and guide without judging. Dating apps aren't going away, but with the right approach, you can prepare your teen to make safe, respectful, and informed choices.

The Smart Woman's Guide to Diabetes Amy Stockwell Mercer, 2011-07-15 Of the 17 million Americans who have diabetes, approximately 9.3% of that number are women. And it appears that number of women with diabetes is increasing each year. Diabetes is particularly difficult for women in large part due to the hormonal changes associated with the menstrual cycle, changes that affect blood sugar levels. As a consequence, women with diabetes have higher rates of chest pain, heart attack, coronary heart disease, and stroke. And women with diabetes face special challenges. **The Smart Woman's Guide to Diabetes** provides advice, tips, and research from a diverse community of women living with diabetes. It provides practical insight and references for the optimal management of diabetes from women living with the disease, as well as doctors, nurses, nutritionists, and educators. Personal anecdotes from nearly one

hundred women throughout the book reveal both the good and the bad of living with diabetes including the frustration sense of shame sense of isolation as well as the capacity for strength and the opportunity for growth The Smart Woman s Guide to Diabetes lets you know that you are not alone but rather it will make you feel like you are sitting in your favorite coffee shop with your friends who share the same disease Special Features of Smart Woman s Guide to Diabetes include Personal anecdotes on a wide variety of topics are in every chapter Authentic advice from women living with diabetes Expert tips from female endocrinologists educators and nutritionists who are also living with diabetes Comprehensive in scope this books examines all the challenges and issues women with diabetes face Research and statistics are provided for each topic Get Smart!
