Smoke Signals From Eminence To Exile:

A Jewish Woman of Distinction ChaeRan Y. Freeze, Zinaida Poliakov, 2019-12-20 Zinaida Poliakov 1863 1953 was the eldest daughter of Lazar Solomonovich Poliakov one of the three brothers known as the Russian Rothschilds They were moguls who dominated Russian finance and business and built almost a quarter of the railroad lines in Imperial Russia For more than seventy five years Poliakov kept detailed diaries of her world giving us a rare look into the exclusive world of Jewish elites in Moscow and St Petersburg These rare documents reveal how Jews successfully integrated into Russian aristocratic society through their intimate friendships and patronage of the arts and philanthropy And they did it all without converting in fact while staunchly demonstrating their Jewishness Poliakov's life was marked by her dual identity as a Russian and a Jew She cultivated aristocratic sensibilities and lived an extraordinarily lifestyle and yet she was limited by the confessional laws of the empire and religious laws that governed her household She brought her Russian tastes habits and sociability to France following her marriage to Reuben Gubbay the grandson of Sir Albert Abdullah Sassoon And she had to face the loss of almost all her family members and friends during the Holocaust Women's voices are often lost in the sweep of history and so *A Jewish Women of Distinction* is an exceptional much needed collection These newly discovered primary sources will change the way we understand the full breadth of the Russian Jewish experience *Children of Rus'* Faith Hillis, 2013-11-27 In *Children of Rus* Faith Hillis recovers an all but forgotten chapter in the history of the tsarist empire and its southwestern borderlands The right bank or west side of the Dnieper River which today is located at the heart of the independent state of Ukraine was one of the Russian empire's last territorial acquisitions annexed only in the late eighteenth century Yet over the course of the long nineteenth century this newly acquired region nearly a thousand miles from Moscow and St Petersburg generated a powerful Russian nationalist movement Claiming to restore the ancient customs of the East Slavs the southwest's Russian nationalists sought to empower the ordinary Orthodox residents of the borderlands and to diminish the influence of their non Orthodox minorities Right bank Ukraine would seem unlikely terrain to nourish a Russian nationalist imagination It was among the empire's most diverse corners with few of its residents speaking Russian as their native language or identifying with the culture of the Great Russian interior Nevertheless as Hillis shows by the late nineteenth century Russian nationalists had established a strong foothold in the southwest's culture and educated society in the first decade of the twentieth they secured a leading role in local mass politics By 1910 with help from sympathetic officials in St Petersburg right bank activists expanded their sights beyond the borderlands hoping to spread their nationalizing agenda across the empire Exploring why and how the empire's southwestern borderlands produced its most organized and politically successful Russian nationalist movement Hillis puts forth a bold new interpretation of state society relations under tsarism as she reconstructs the role that a peripheral region played in attempting to define the essential characteristics of the Russian people and their state **In Harness** Gennady Estraiikh, 2005-03-21 Here is a detailed glimpse

into the lives and times of Yiddish writers enthralled with Communism at the turn of the century through the mid 1930s Centering mainly on the Soviet Jewish literati but with an eye to their American counterparts the book follows their paths from avant garde beginnings in Kiev after the 1905 revolution to their peak in the mid 1930s Notables such as David Bergelson who helmed the short lived Yiddish periodical called *In Harness* and *Der Nister* and David Hodshstein come to life as do Leyb Kvitko Peretz Markish Itsik Fefer Moshe Litvakov Yekhezkel Dobrushin and Nokhum Oislander Gennady J Estraiikh charts the course of their artistic and political flowering and decline and considers the effects of geography provincial vs urban and party politics upon literary development and aesthetics No other book concentrates on this aspect of the Jewish intellectual scene nor has any book unveiled the scale and intensity of Yiddish Communist literary life in the 1920s and 1930s or the contributions its writers made to Jewish culture Russia and the Low Countries Roger Tavernier, 2006 This bibliography contains everything that has been published in the West except from Russia about the relations between the Low Countries Belgium and the Netherlands and Russia in every Western language P 4 of cover
