Non fictional stories Serge Ardenne,2020-01-21 Any endeavor that a person starts usually ends either in success or failure because this is how the world works and nothing will change until the Dnieper dries up But if in the first case when a person manages to cope with what he has conceived the individual goes publicly for each occasion to sound about his genius victory and success explaining in details to everyone he meets who is not at all interested in the details of the triumphant In the person of the narrator to Olympus In the second variant when the same person suffers a fiasco he invariably tries avoiding publicity and any explanations to find the perpetrators of failure in every possible way trying to lose responsibility for failure He does not find a place until he comes up with a story that he tells others whenever it comes to what is so unpleasant for a blundered individual People are cunning greedy unfair cruel and this you will agree is not a complete palette of human vices In everyone sits if not a fire breathing dragon abounding in all these far from the best qualities then a goggle eyed creature whose like the above sins are in an embryonic state ready to germinate at any moment in the blink of an eye appearing in all its abomination A person is egotistical selfish prone to pathos

Generation Tells Another Peninnah Schram, 1996-05-01 Peninnah Schram widely regarded as one of the great Jewish
storytellers of our generation has collected and retold sixty four delightful Jewish folktales to create Jewish Stories One
Generation Tells Another Ms Schram who believes that stories form the link between the generations helps forge that link
with this book ensuring that these stories will continue to live and breathe in the modern world The life force animating these
tales is almost tangible The printed words seem to vibrate as if the author possessed the voices of various tellers and lent
their lilting tones and ripe inflections to the printed page Furthermore the laughter sobs and delighted cries of countless
listeners also echo in these pages Schram who has written a thoughtful informative introduction for each story demonstrates
on every page her belief that the stories connect to our lives And when the lifelike characters woven into Schram s magic
tapestry suffer or enjoy the fates they most deserve we rejoice secure in their storybook world a world where justice however
incomprehensible is always done and where we attain happiness by living in accordance with Jewish law and in harmony with
the world s natural order Jewish Stories One Generation Tells Another abounds in a gentle wisdom that presses itself upon
our complex and often self contradictory lives infusing us with patience tolerance and hope We identify with the kings and
princes fools and beggars heroes and leaders villains and witches of yesteryear because though our lives are vastly different
from theirs we share their moral choices and experience their dilemmas Schram joins Jewish storytellers throughout the ages
