*To Cast The First Spell* John A. Buttrick, 2008-01-01 Daniel Benhannon has finished building his cabin near the peak of Mount Tannakonna and is ready to leave home and invite Val Terrance to be his wife But the simple life he hopes for is changed forever when he inadvertently casts a spell so powerful it draws the attention of the Grand Maestro of Aakadon and the dark Maestro Tarin Conn The two powerful foes sense a change in the balance of power and both of them intend for it to be in their favor Daniel wants nothing to do with either faction but must learn to master his newly discovered potential before the forces sent looking for him destroy his family and friends and every person living in the remote village of Bashierwood But to master his potential he must learn from an Accomplished To save the village he must accept help from Talented sent by Efferin Tames or surrender to Tarin Conn To seize control of his life he must set his priorities and arrange his chores accordingly *The Maestro Chronicles* Harry Pellow, 1984-01-01 To Wear a Trident John Buttrick, 2021-09-25 The champion of evil has been defeated and yet Daniel s role as the Chosen Vessel only becomes more complicated The Swirling of Events has inverted forcing him to go where he needs to be rather than having those things being drawn to him He is not given the luxury of knowing where he needs to go or what ought to be done upon arrival only that it is critical the chore be done or the victory he achieved will be for nothing According to the Teki Seer Silvia knowledge of the Trident is not only crucial to his success death will take him in a matter of months if he fails to learn and the guilds and kingdoms of Atlantian will fall to the thieving Zeuthan Empire After witnessing the horribly destructive power of a Ruby level aqua bomb Daniel feels compelled to finally intervene on behalf of the island kingdom of Serinia Hard feelings in Aakadon ruin the goodwill brought about by the defeat of the Serpent Guild and sour even more as he strives to fulfill the requirements of Silvia s Vision His confrontations with El Marzon s forces threaten a new war no one but Daniel and his guild seem willing to fight all while living up to his new designation Seardoon the Author of Change **To Be Victorious** John Buttrick, 2016-01-31 The world is at war The Serpent Guild and the northern kingdoms are united while the south is divided between those allied with Daniel s Atlantian Guild and the nations allied with Aakadon The changes in leadership within the city of the Aakacarns make an alliance between the Atlantian Guild and Aakadon possible but not guaranteed now that blood has been shed on both sides Cooperation between the two societies must happen in order to achieve victory and yet may not be enough to turn the tide of war Tarin Conn is free from Daniel s spell and the ancient Maestro s appetite for power has grown The Serpent Guild s teleportation raids increase and the spell powered weapons given to their allies increase the destruction visited upon the southern kingdoms To be victorious in the War of the Champions Daniel and the members of his guild must trust the people who attacked them and defeat Tarin Conn the most powerful spell caster ever born along with the Serpent Guild This time setting his priorities and arranging his chores accordingly may not be enough **To Ignite the Flames** John A. BUTTRICK, 2020-03-26 Ordinary music entertains Music composed by an Aakasear draws forth life force

energy from the performer to be focused at will One in fifty births results in an Aakacarn an Aakasear comes along once in a thousand years if that often and so the huge population of Melody Wielders were seldom prepared for the arrival of the creative non conformist The world had not been prepared for a composer to live long enough to meet another Their final encounter brought the number back down to one and an end to the War of the Champions Now the world has Daniel Benhannon yet not everyone is pleased by the fact Many people preferred the number of Aakasears to be zero Ever since Daniel was trapped and his heart stopped and then restarted minutes later by Zeuthan Reapers he has been plagued by disturbing dreams with the same theme he achieves victory and then is again trapped with his dead nemeses mocking him When awake the Swirling of Events with its frequent and insistent imperatives throws him into perilous situations with only moments to recognize the danger and figure out the obscure chore he is supposed to accomplish In addition to rescuing Ginnie Cree from the bowels of the Willow Guild without totally incinerating his relationship with Aakadon he must save a life or lose twice the Potential somehow make peace with the untrustworthy Zeuthan Empire face a coming storm and do so while being blamed for every ground quake and natural disaster on both sides of the world *To Reap What Has Been Sown* John A Buttrick,2023-01-15 In time you must become the symbol of house Benhannon and let it soar over the houses of potentates Silvia the Seer had been telling Daniel Benhannon often over the last few years and most recently about forty minutes prior to him taking to the air in the form of a giant falcon He is given less than twenty four hours to meet the demand or the coming storm she predicted would escalate into a full scale war Up until appearing in the sky over the city of Kyran Daniel had only flown over the house of one potentate the emperor of Zeutha The Devine Imperative specified plural houses and potentates although did not specify the exact number of homes nor did it give so much as a clue as to which rulers residences he should overfly Daniel had to wing it choose where to go and hope it was the correct choice and that his decision did not result in landing him in a pit he could not climb out of Under the heavy influence of the Devine Imperative Daniel is compelled to cast Into The Wind a Symphonic spell in which the Swirling of Events transports him like a leaf in the wind He never knows the destination only that the Music had in the past dropped him into perilous situations he barely survived While facing certain military conflict with the Zeuthan Empire and working to fulfill the requirements imposed upon him Daniel receives another Devine Imperative The Chosen Vessel must calm the world or millions will die and has only months to do so with little more to go on than another Seer adding I see the Seardoon hovering above great upheaval Little Alisiin his adopted daughter must be successful or the Chosen Vessel will not be able to calm the world Daniel must fulfill all of the Devine requirements within the time frames while reaping the consequences good and bad of his past successes
