from the types of edible plants used in landscape design at Tomorrowland to Lilian Disney's interior design efforts in Walt Disney's Disneyland Apartment Tips on how to bring a bit of Disney magic into your own environments This is a gift that Disney collectors theme park fans and anyone interested in bringing a little Disney magic into their lives will love **The Magic Wand and Magical Review** ,1921 **Why the Magic Matters** Alexis Franzese,Jill Peterfeso,2025-09-04 As education entertainment or edutainment as Walt called it Disney offers its consumers and guests with a wealth of opportunities for learning In *Why the Magic Matters* top Disney scholars and teachers unpack what why and how Disney maintains its overwhelming cultural significance in the global entertainment industry Broken into four parts Magic and Strategy Authenticity and Simulation Nostalgia and Innovation and Leisure and Labor the book offers a framework that juxtaposes ideas found in Disney products properties and experiences From art film and television history to Indigenous disability and religious studies each chapter contextualizes Disney within a greater cultural landscape Students teachers and fans will gain insights on what Disney can teach us about pop culture and fresh perspectives on why the magic really does matter *Secular Magic and the Moving Image* Max Sexton,2017-12-14 The power of the moving image to conjure marvelous worlds has usually been to understand it in terms of move magic On film a fascination for enchantment and wonder has transmuted older beliefs in the supernatural into secular attractions But this study is not about the history of special effects or a history of magic Rather it attempts to determine the influence and status of secular magic on television within complex modes of delivery before discovering interstices with film Historically the overriding concern on television has been for secular magic that informs and empowers rather than a fairytale effect that deceives and mystifies Yet shifting notions of the real and the uncertainty associated with the contemporary world has led to television developing many different modes that have become capable of constant hybridization The dynamic interplay between certainty and indeterminacy is the key to understanding secular magic on television and film and exploring the interstices between them Sexton ranges from the real time magic of street performers such as David Blaine Criss Angel and Dynamo to Penn and Teller's comedy magic to the hypnotic acts of Derren Brown before finally visiting the 2006 films *The Illusionist* and *The Prestige* Each example charts how the lack of clear distinctions between reality and illusion in modes of representation and presentation disrupt older theoretical oppositions *Secular Magic and the Moving Image* not only re evaluates questions about modes and styles but raises further questions about entertainment and how the relations between the program maker and the audience resemble those between the conjuror and spectator By re thinking these overlapping practices and tensions and the marking of the indeterminacy of reality on media screens it becomes possible to revise our understanding of inter medial relations *Magic Streets: Prague Bound Book One* Marco Marek,2019-02-02 Photography has never been so dangerous for Jack Excited to visit Prague he's ready to action But photos isn't the only challenge that Jack will face Blissfully unaware of the magic contained within the city of Prague he stumbles upon a magic street He didn't know he will be involved with a

monster hunt with a tarot reader Will Jack be able to face it or will the city be lost forever      **Magic Streets: London**
