How to Fracture a Fairy Tale Jane Yolen, 2018-11-05 This collection is Jane Yolen at her best This is magic Patricia C Wrede author of the Enchanted Forest Chronicles Fantasy icon Jane Yolen The Devil's Arithmetic Briar Rose Sister Emily's Lightship is adored by generations of readers of all ages Now she triumphantly returns with this inspired gathering of fractured fairy tales and legends Yolen breaks open the classics to reveal their crystalline secrets a philosophical bridge that misses its troll a spinner of straw as a falsely accused moneylender the villainous wolf adjusting poorly to retirement Each of these offerings features a new author note and original poem illuminating tales that are old new and brilliantly refined

Building Imaginary Worlds Mark J.P. Wolf, 2014-03-14 Mark J P Wolf's study of imaginary worlds theorizes world building within and across media including literature comics film radio television board games video games the Internet and more Building Imaginary Worlds departs from prior approaches to imaginary worlds that focused mainly on narrative medium or genre and instead considers imaginary worlds as dynamic entities in and of themselves Wolf argues that imaginary worlds which are often transnarrative transmedial and transauthorial in nature are compelling objects of inquiry for Media Studies Chapters touch on a theoretical analysis of how world building extends beyond storytelling the engagement of the audience and the way worlds are conceptualized and experienced a history of imaginary worlds that follows their development over three millennia from the fictional islands of Homer's Odyssey to the present internarrative theory examining how narratives set in the same world can interact and relate to one another an examination of transmedial growth and adaptation and what happens when worlds make the jump between media an analysis of the transauthorial nature of imaginary worlds the resulting concentric circles of authorship and related topics of canonicity participatory worlds and subcreation's relationship with divine Creation Building Imaginary Worlds also provides the scholar of imaginary worlds with a glossary of terms and a detailed timeline that spans three millennia and more than 1 400 imaginary worlds listing their names creators and the works in which they first appeared

Literary Cultures and Medieval and Early Modern Childhoods Naomi J. Miller, Diane Purkiss, 2019-07-17 Building on recent critical work this volume offers a comprehensive consideration of the nature and forms of medieval and early modern childhoods viewed through literary cultures Its five groups of thematic

essays range across a spectrum of disciplines periods and locations from cultural anthropology and folklore to performance studies and the history of science and from Anglo Saxon burial sites to colonial America Contributors include several renowned writers for children The opening group of essays Educating Children explores what is perhaps the most powerful social engine for the shaping of a child Performing Childhood addresses children at work and the role of play in the development of social imitation and learning Literatures of Childhood examines texts written for children that reveal alternative conceptions of parent child relations In Legacies of Childhood expressions of grief at the loss of a child offer a window into the family s conceptions and values Finally Fictionalizing Literary Cultures for Children considers the real material child versus the fantasy of the child as a subject **The Best in Children's Books** Zena Sutherland,1980-05
