## **The Making Of A Missionary:**

**The Making of a Missionary** J. Herbert Kane, 1975 The Making of a Missionary is a superb orientation to what the Christian missionary will encounter in today's world setting. Although the book candidly presents the obstacles and difficulties that a missionary must overcome, the overall impact is positive. It will spur the recruitment of career missionaries among young people. It will enlighten their thinking as well as fire their enthusiasm. The contents include: 1. The Making of a Missionary: Myths Regarding Missions; What is a Missionary? How Important Is a Call? 2. The Measure of the Man: Hang-ups Regarding Missionary Life; Obstacles to a Missionary Career; Qualifications for Missionary Service. 3. The Magnitude of the Task: Developing Trends; Opposing Forces; Unlimited Opportunities; The Unfinished Task. The Making of a Missionary Jay McLaughlin, 2009-12 This book is loaded with knowledge and wisdom that will help make mission work more understandable and successful. There is excitingly detailed mission life events and well categorized need to know mission knowledge. **The Making of a Missionary** H. Drew Johns, 2009\* *Making of a Missionary* Robert D. Patton, 2022-11 The goals of Volume V are to assist the missionary in successfully arriving on the mission field and remaining there with an effective ministry. Two major problems in recruitment and deployment of missionaries are the great length of time missionaries are on deputation and the 50% attrition rate for return to the field after the first term of service. This volume addresses both issues. Beginning with the call of the missionary, there is a detailed discussion of deputation and a smaller section on mission boards. Many missionaries are not able to successfully adapt to the foreign field. A substantial section of the book on cultural anthropology outlines many of the adjustments for the missionary as well as the symptoms and treatment of culture shock. There is a short review of the importance of worldview in approaching evangelism and a brief section on the missionary's adaptation upon returning to the USA. **The Making of a Missionary** Jay and Sunny McLaughlin, Sunny McLaughlin, 2009-12-28 This book is loaded with knowledge and wisdom that will help make mission work more understandable and successful.
