The Making Of A Police Officer:

The Making of a Police Officer D. X. Fenton, 1972 Describes different jobs in law enforcement their advantages and disadvantages and the education and training required

The Making of a Police Officer Tore Bjørge, Marie-Louise Damen, 2020-02-17 Does a more academic type of police education produce new police officers that are reluctant to patrol the streets What is the impact of gender diversity and political orientation on a police students career aspirations and attitudes to policing These are some of the questions addressed by this longitudinal project following police students in seven European countries The unique data material makes it possible to explore a wide range of topics relevant to the future development of policing police education and police science more generally Part I presents an overview of the different goals and models of police education in the seven participating countries Part II describes what type of student is attracted to police education taking into consideration educational background political orientation and career aspirations Part III shows the social impact of police education by examining students orientations towards emerging competence areas students career aspirations and students attitudes concerning trust cynicism and legalism The overall results show that police students are strikingly similar across different types of police education Students in academic institutions are at least as interested in street patrolling as students in vocational training institutions Gender and recruitment policies matters more in relation to career preferences than education models The national context plays a more important role than the type of police education system Written in a clear and direct style this book will appeal to students and scholars in policing criminology sociology social theory and cultural studies and those interested in how police education shapes its graduates

The Scottish Police Officer Daniel Donnelly, 2014-05-16 The structure of policing is undergoing change in Scotland at present and the profile of the police officer differs from that of the past This book takes an informative approach and offers a unique account and insight into the Scottish police organisation describing the Scottish police officer from the point of recruitment through to training development and specialist policing Written by an ex senior police officer this book examines how the qualified police officer goes about his her daily work policing and how this has changed over time as a result of organised crime terrorism and the changing priorities of the public and politicians The contribution of non police officers such as police civilian staff auxiliaries and the private sector plays a key role in the policing of Scotland in the 21st century and is considered at length As police supervision and management is crucial to the organisation s success the subjects of personnel development promotion and management in the police is examined with comment on the suitability of the system in the 21st century The book concludes with commentary on the future profile of the Scottish police officer and makes some general comparison with their colleagues in the rest of the UK and European Union This will be an essential text for police officers in Scotland and elsewhere and students and academics in the areas of law politics management police studies criminology and criminal justice

Professor of Sociology University at Albany State University of New York **Stoning the Keepers at the Gate** Lawrence N. Blum, 2002 In *Stoning the Keepers at the Gate* police psychologist Lawrence N. Blum Ph.D. looks at the role of law enforcement in modern times and argues that while bad cops need to be rooted out blanket condemnation of the police threatens the very liberties that make such condemnation possible as well as the safety of the American public in their homes and lives Blum argues that the enormous stresses officers experience from violent physical attack to unrewarded or misunderstood acts of heroism require special understanding an understanding that is often missing from police departments themselves Blum provides a unique insight into the dynamics practices and activities within police agencies that influence police officers' actions and that often hide the real sources of police behaviors that are thought of as faulty insensitive or inappropriate A passionate call not only for understanding but a reappraisal of whose actions are scrutinized within and outside of police agencies police accountability and the nature of policing itself in the twenty-first century *Stoning the Keepers at the Gate* is a dynamic and fascinating analysis of the role of law enforcement today Annotated Cases, American and English, 1916 **The Police Journal**, 1922 Psychology and Policing Neil Brewer, Carlene Wilson, 2013-06-17 Psychological theory and research have much to contribute to the knowledge and skill bases underlying effective policing Much of the relevant information however is dispersed across a variety of different psychological and criminal justice policing journals and seldom integrated for those applied psychologists interested in policing issues or for police policymakers administrators and others working in the criminal justice area who are not familiar with the psychological literature Designed to accommodate the needs of these different groups this book addresses both operational policing issues and issues relevant to the improvement of organizational functioning by providing integrative reviews of psychological theory and research that deal with effective policing It illustrates how the theory and research reviewed are relevant to specific policing practices These include eyewitness testimony conflict resolution changing driver behavior controlling criminal behavior effective interviewing and techniques of face reconstruction The volume's readable style makes it accessible to a diverse audience including undergraduate and postgraduate students in forensic organizational applied psychology criminal justice and police science programs and police administrators and policymakers It will also interest psychologists whose primary focus includes policing and criminal justice issues The book should draw attention to the often unrecognized and valuable contribution that mainstream psychology can make to the knowledge base underpinning a wide variety of policing practices **Annual Report of the City Officers** Paterson (N.J.), 1915 *Lawyers' Reports Annotated*, 1901 *Country Reports on Human Rights Practices*, 1994 Criminal Law and Practice of the State of New York New York (State), 1918 The South Western Reporter, 1925 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian
