Congress,1998 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The *Congressional Record* began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789 1824 the *Register of Debates in Congress* 1824 1837 and the *Congressional Globe* 1833 1873 *Coverscaping* Asbjørn Grønstad,Øyvind Vågnes,2010

Focusing on the semiotics poetics and rhetoric of album covers *Coverscaping* gives a serious study of this neglected art form Working from the assumption that record sleeves may be found to represent a visual genre in its own right the essays in this book engage in various ways with the analysis of what one might call the pictorial component of recorded music The contributions from scholars in many different fields run the whole gamut from close readings of individual covers to more theoretical or philosophical explorations of the aesthetic nature and artistic value of album covers State Service ,1919
