

THE LANDMARK POLITICAL SERIES

THE MAKING OF THE PRESIDENT 1968

WITH A NEW FOREWORD BY CHRIS MATTHEWS

THEODORE H. WHITE

WINNER OF THE PULITZER PRIZE

"[WHITE] REVOLUTIONIZED THE
ART OF POLITICAL REPORTING."

—WILLIAM F. BUCKLEY JR.

AN EVERGREEN CLASSIC

The Making Of The President 1968

Theodore Harold White

The Making Of The President 1968:

The Making of the President 1968 Theodore Harold White,1970 **The Making of the President, 1968** Theodore H. White,2010-10-05 White unites a novelist s knack of dramatization and a historian s sense of significance with a synthesizing skill that grasps the reader by the lapels Newsweek The third book in Theodore H White s landmark series The Making of the President 1968 is the compelling account of the turbulent 1968 presidential campaign the assassinations of Robert F Kennedy and Martin Luther King Jr and election of Richard Nixon White made history with his groundbreaking The Making of the President 1960 a narrative that won the Pulitzer Prize for revolutionizing the way that presidential campaigns were reported Now The Making of the President 1968 back in print freshly repackaged and with a new foreword by Chris Matthews joins Theodore Sorensen s Kennedy White s The Making of the President 1960 1964 and 1972 and other classics in the burgeoning Harper Perennial Political Classics series *The Making of the President 1960* Theodore H. White,2024-03-19 The Pulitzer Prize winning behind the scenes account of the historic Nixon Kennedy race A fascinating story of a fascinating campaign Time This is the dramatic and groundbreaking chronicle that captured the epic clash between John F Kennedy and Richard M Nixon in the 1960 presidential election and in the process revolutionized modern political journalism Granted intimate access to all parties involved New York Times bestselling author Theodore White crafted an almost mythic story from the decisive primary battles to the history making televised debates the first of their kind Portraying both the grittiness and the grandeur of the process this classic account addresses emerging themes and trends in American politics that carry ripple effects to this day Superb vignettes If this book were merely a campaign report it could be recommended glowingly on its own terms But it is more The author sees the campaign as a milestone in the greatest reorientation of American politics since the Civil War The New York Times White a gifted journalist takes the cold ashes of a political campaign and injects such a sense of immediacy that we relive the entire race the whole pattern of the pre convention months the grueling struggle in the primaries the fight for nomination in San Francisco the fight for the platform in Chicago A perceptive analysis of the inside story of the campaign told with extraordinary objectivity Kirkus Reviews A masterpiece full of deep insights into political power in America and how our democracy works It gripped me from beginning to end as very few books have William L Shirer author of The Rise and Fall of the Third Reich Includes a new foreword by Robert Dallek **Making of the President 1968** Theodore H. White,1969 LIFE ,1969-08-01 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Los Angeles Documentary and the Production of Public History, 1958-1977** Joshua Glick,2018-01-23 Los Angeles Documentary and the Production of Public History 1958 1977 explores how documentarians working between the election of John F Kennedy and the Bicentennial created

conflicting visions of the recent and more distant American past Drawing on a wide range of primary documents Joshua Glick analyzes the films of Hollywood documentarians such as David Wolper and Mel Stuart along with lesser known independents and activists such as Kent Mackenzie Lynne Littman and Jesús Salvador Treviño While the former group reinvigorated a Cold War cultural liberalism the latter group advocated for social justice in a city plagued by severe class stratification and racial segregation Glick examines how mainstream and alternative filmmakers turned to the archives civic institutions and production facilities of Los Angeles in order to both change popular understandings of the city and shape the social consciousness of the nation

Quest for the Presidency Bob Riel, 2022-04 Quest for the Presidency gathers in a single volume the compelling stories behind every presidential campaign in American history from 1789 through 2020 Bob Riel takes us inside the 1800 clash between Thomas Jefferson and John Adams the 1860 election that launched the Civil War the 1948 whistle stop comeback of Harry Truman the Kennedy Nixon drama of 1960 the 1980 Reagan Revolution the historic 2008 election of Barack Obama the turbulent 2020 battle between Joe Biden and Donald Trump and everything in between This engaging and insightful book includes a trove of entertaining stories about campaigns and candidates and it goes beyond the campaign tales to also consider the threads that link elections across time It sheds light on the continually evolving story of American democracy in a way that helps us to better understand present day politics

The Politics of Rage Dan T. Carter, 2000-02-01 Combining biography with regional and national history Dan T Carter chronicles the dramatic rise and fall of George Wallace a populist who abandoned his ideals to become a national symbol of racism and later begged for forgiveness In The Politics of Rage Carter argues persuasively that the four time Alabama governor and four time presidential candidate helped to establish the conservative political movement that put Ronald Reagan in the White House in 1980 and gave Newt Gingrich and the Republicans control of Congress in 1994 In this second edition Carter updates Wallace's story with a look at the politician's death and the nation's reaction to it and gives a summary of his own sense of the legacy of the most important loser in twentieth century American politics

The Loudest Voice in the Room Gabriel

Sherman, 2017-02-14 A revelatory journey inside the world of Fox News and Roger Ailes the brash sometimes combative network head who helped fuel the rise of Donald Trump NEW YORK TIMES BESTSELLER NOW A SHOWTIME LIMITED SERIES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996 American politics and media changed forever With a remarkable level of detail and insight Vanity Fair magazine reporter Gabriel Sherman puts Ailes's unique genius on display along with the outsize personalities Bill O'Reilly Sean Hannity Megyn Kelly Sarah Palin Karl Rove Glenn Beck Mike Huckabee Gretchen Carlson Bill Shine and others who have helped Fox News play a defining role in the great social and political controversies of the past two decades From the Clinton Lewinsky scandal to the Bush Gore recount from the war in Iraq to the Tea Party attack on the Obama presidency Roger Ailes developed an unrivaled power to sway the national agenda Even more he became the indispensable figure in

conservative America and the man any Republican politician with presidential aspirations had to court How did this man become the master strategist of our political landscape In revelatory detail Sherman chronicles the rise of Ailes a frail kid from an Ohio factory town who through sheer willpower the flair of a showman fierce corporate politicking and a profound understanding of the priorities of middle America built the most influential television news empire of our time Drawing on hundreds of interviews with Fox News insiders past and present Sherman documents Ailes s tactical acuity as he battled the press business rivals and countless real and perceived enemies inside and outside Fox Sherman takes us inside the morning meetings in which Ailes and other high level executives strategized Fox s presentation of the news to advance Ailes s political agenda provides behind the scenes details of Ailes s crucial role as finder and shaper of talent including his sometimes rocky relationships with Fox News stars such as O Reilly Hannity and Carlson and probes Ailes s fraught partnership with his equally brash and mercurial boss Rupert Murdoch Roger Ailes s life is a story worthy of Citizen Kane Featuring an afterword about Ailes s epic downfall during the extraordinary 2016 election *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart

The Statesman's Year-Book 1975-76 J. Paxton,2016-12-22 The classic reference work that provides annually updated information on the countries of the world [The Statesman's Year-Book 1973-74](#) J. Paxton,2016-12-28 The classic reference work that provides annually updated information on the countries of the world **The Statesman's Year-Book 1974-75** J. Paxton,2016-12-23 The classic reference work that provides annually updated information on the countries of the world *The Routledge Historical Atlas of Presidential Elections* Yanek Mieczkowski,2013-12-16 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Passages to the Presidency Charles O. Jones,1998-06-01 The standard view of the transition is based on a distinction between campaigning and governing with election day as the marker campaigning before preparing to govern after Yet changes are blurring the distinction between the two activities The Clinton transition in 1992 is the watershed case Dubbed the worst for failing to meet many of the standard tests Clinton and his aides nevertheless were attuned to a campaigning style of governing that was fine tuned after the 1994 mid term election Future transitions will be judged by a revised set of expectations The conventional rules will be supplemented by tests that account for campaigning as integral to governing What is called the permanent campaign is upon us Presidents in the 21st century will prepare to govern more publicly from the start anxious to establish and enhance their status in a more communal style of governing This book considers the critical ten weeks of transition for recent party changes in the White House Nixon Carter Reagan Clinton and signals a pivotal change for the future Charles Jones identifies the conventional expectations for an effective transition in regard to such topics as dismantling the campaign connecting with Congress establishing a theme and relating to the press

[Political Campaign Craftsmanship](#) Edward Schwartzman,2017-07-05 Over one billion dollars are spent in presidential election years on an expensive art form political campaigns Many political observers believe that at least half that amount is

wasted But which half Edward Schwartzman answers that question based upon experience gained in seventy five campaigns Political Campaign Craftsmanship treats both the art and science of campaigning describing the procedures basic to modern professional campaigning This practical guide to campaigns covers the entire process and gives specific strategies for every phase

The General and the Politician John W. Malsberger, 2014-03-27 As historian and author John W Malsberger writes in The General and the Politician Dwight Eisenhower Richard Nixon and American Politics no two political figures could have taken more different routes to the Presidency than did America s 34th and 37th Commanders in Chief Thrown together largely for political convenience by a Republican party struggling to reinvent itself through years of post Depression Democratic dominance Dwight Eisenhower and Richard Nixon came to embody two radically different styles of leadership simultaneously defining for the American electorate where American politics had been and where they were headed While debate has raged amongst historians over the level of hostility the two men were rumored to harbor for one another there is as Malsberger points out a more accurate reading of their relationship available to us if we examine all the facts Taken in a broader context their relationship was much less a momentary collision of dissident styles and values than a genuine watershed moment in American politics from which our current political spectrum and electorate can trace their roots The General and the Politician thoroughly and accessibly details the intersection of two of 20th Century America s most powerful figures and examines their tenuous but transformative relationship to reveal the origins of political discussions and debates that we re still having today

Nixonland Rick Perlstein, 2008-05-13 Perlstein aims here at nothing less than weaving a tapestry of social upheaval His success is dazzling Los Angeles Times Both brilliant and fun a consuming journey back into the making of modern politics Jon Meacham Nixonland is a grand historical epic Rick Perlstein has turned a story we think we know American politics between the opposing presidential landslides of 1964 and 1972 into an often surprising and always fascinating new narrative Jeffrey Toobin Rick Perlstein s bestselling account of how the Nixon era laid the groundwork for the political divide that marks our country today Told with vivid urgency and sharp political insight Nixonland recaptures America s turbulent 1960s and early 1970s and reveals how Richard Nixon rose from the political grave to seize and hold the presidency of the United States Perlstein s epic account begins in the blood and fire of the 1965 Watts riots nine months after Lyndon Johnson s historic landslide victory over Barry Goldwater appeared to herald a permanent liberal consensus in the United States Yet the next year scores of liberals were tossed out of Congress America was more divided than ever and a disgraced politician was on his way to a shocking comeback Richard Nixon Between 1965 and 1972 America experienced no less than a second civil war Out of its ashes the political world we know now was born Filled with prodigious research and driven by a powerful narrative Rick Perlstein s magisterial account of how it all happened confirms his place as one of our country s most celebrated historians

The Power of the Presidency Robert S. Hirschfield, 2017-07-05 The American presidency is the most powerful political office in the world But this impressive

statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today's needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency

The Political Persuaders Dan Nimmo, 2020-02-18 For better or worse political image is now more important to electoral victory than a spontaneous exchange of conflicting views over matters of substantive policies Campaign managers polling specialists and communication consultants define issues set agendas and explore policy options primarily for electoral gain In short campaign contrivances replace substance at all phases and levels of electoral contests Political estrangement as illustrated by declining voting levels may well be a by product of deceptive political consultant and political journalistic practices rather than Americans being frustrated by insoluble problems In *The Political Persuaders* Dan Nimmo analyzes and critiques the emerging political industry of professional political management and consulting His volume was the first book length treatment to do so it is a seminal work on the subject for both academic scholars and political practitioners In his new introduction Nimmo hones his critique in light of the past thirty years and its effects on campaign organization research and communication He assesses changes in campaign technology stable and shifting practices of candidate marketing and the consequences for democratic governance inherent in professionally mediated campaigns at the close of the twentieth century Nimmo succinctly reviews his well nigh prophetic conclusions determining that trends discovered in 1970 not only persist but continue to intensify with a vengeance Although evolving campaign techniques claim to involve citizens in the electoral process the actual involvement is more cosmetic than real this Nimmo argues is the principle source of deepening popular disappointment and a general political apathy This timely volume should be read by political scientists policymakers and those in the fields of mass communication and journalism Dan Nimmo has been a professor of political science journalism and communication at various institutions notably the University of Missouri University of Tennessee and the University of Oklahoma He is currently distinguished visiting professor of political science at Baylor University He is the author or editor of many works including *Popular Images of Politics* and *Newsgathering in Washington*

John William McCormack Garrison Nelson, 2017-03-23 In the first biography of U S House Speaker John W McCormack author Garrison Nelson uncovers previously forgotten FBI files birth and death records and correspondence long thought lost or buried For such an influential figure McCormack tried to dismiss the past almost erasing his legacy from the public's mind *John William McCormack A Political Biography* sheds light on the behind the curtain machinations of American politics and the origins of the modern day Democratic party facilitated through

McCormack's triumphs McCormack overcame desperate poverty and family tragedy in the Irish ghetto of South Boston to hold the second most powerful position in the nation By reinventing his family history to elude Irish Boston's powerful political gatekeepers McCormack embarked on a 1928-1971 House career and from 1939-71 the longest House leadership career Working with every president from Coolidge to Nixon McCormack's social welfare agenda which included Social Security Medicare and Medicaid immigration reform and civil rights legislation helped commit the nation to the welfare of its most vulnerable citizens By helping create the Austin Boston Connection McCormack reshaped the Democratic Party from a regional southern white Protestant party to one that embraced urban religiously and racially diverse ethnics A man free of prejudice John McCormack was the Boston Brahmin's favorite Irishman the South's favorite northerner and known in Boston as Rabbi John the Jews favorite Catholic

Enjoying the Track of Term: An Emotional Symphony within **The Making Of The President 1968**

In a world taken by screens and the ceaseless chatter of instantaneous conversation, the melodic beauty and psychological symphony produced by the written word often disappear into the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. But, set within the pages of **The Making Of The President 1968** an enchanting literary treasure filled with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts readers on a psychological trip, skillfully unraveling the concealed tunes and profound affect resonating within each carefully crafted phrase. Within the depths of the moving examination, we can investigate the book's central harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
