## **The Man Who Cried I Am:**

The Man Who Cried I Am: A Novel John A. Williams, 2023-11-21 Rediscover the sensational 1967 literary thriller that captures the bitter struggles of postwar Black intellectuals and artists With a foreword by Ishmael Reed and a new introduction by Merve Emre about how this explosive novel laid bare America's racial fault lines Max Reddick a novelist journalist and presidential speechwriter has spent his career struggling against the riptide of race in America Now terminally ill he has nothing left to lose An expat for many years Max returns to Europe one last time to settle an old debt with his estranged Dutch wife Margrit and to attend the Paris funeral of his friend rival and mentor Harry Ames a character loosely modelled on Richard Wright In Amsterdam among Harry's papers Max uncovers explosive secret government documents outlining King Alfred a plan to be implemented in the event of widespread racial unrest and aiming to terminate once and for all the Minority threat to the whole of the American society Realizing that Harry has been assassinated Max must risk everything to get the documents to the one man who can help Greeted as a masterpiece when it was published in 1967 *The Man Who Cried I Am* stakes out a range of experience rarely seen in American fiction from the life of a Black GI to the ferment of postcolonial Africa to an insider's view of Washington politics in the era of segregation and the Civil Rights Movement including fictionalized portraits of Martin Luther King Jr and Malcolm X John A Williams and his lost classic are overdue for rediscovery Few novels have so deliberately blurred the boundaries between fiction and reality as *The Man Who Cried I Am* 1967 and many of its early readers assumed the King Alfred plan was real In her introduction Merve Emre examines the gonzo marketing plan behind the novel that fueled this confusion and prompted an FBI investigation This deluxe paperback also includes a new foreword by novelist Ishmael Reed It is a blockbuster a hydrogen bomb This is a book white people are not ready to read yet neither are most black people who read But it is the milestone produced since *Native Son* Besides which and where I should begin it is a damn beautifully written book Chester Himes Magnificent obviously in the Baldwin and Ellison class John Fowles If *The Man Who Cried I Am* were a painting it would be done by Brueghel or Bosch The madness and the dance is never ending display of humanity trying to creep past inevitable Fate Walter Mosely

But what about that vast range which will not respond to our sensed bodies and sensed instruments Down the ages a rare few have been permitted to sever the senses which connect matter with its motivated Source in the consciousness of Universal Mind These few have become conscious of the cosmos and have tried to tell the world of its simplicity Each of these has faced an impossible task The generalities and symbols which they did set down have been discounted and relegated to poetry or metaphysics or mysticism      **Critical and Miscellaneous Essays** Thomas Carlyle,1855      **St. Nicholas** ,1917      The Life and Adventures of Valentine Vox, the Ventriloquist Henry Cockton,1840 A fiction highlighting the problems inherent in the system of private lunatic asylums Cf Author s preface p xiv      The Mysteries of Paris.
