*Managing Policy and Reform in an Era of American Police Conflict* Jack St. Hilaire, 2023-08-11 The Greek philosopher Socrates posed a guardian model that would protect his Athenian world the custodes watchmen yet mused who would guard them but themselves In The Republic Plato spoke favorably about the guardians of the republic they should be trusted to behave and perform their duties appropriately without oversight Half a millennium later the Roman satirist Juvenal proposed that men who feared their wives infidelity could neither trust them nor the guardians who guarded them Similarly James Madison opposed oppression through blind trust and thus conceptualized Madisonian Democracy Quis custodiet ipsos custodies Who will guard the guardians In an era of conflict with America s police and the communities they serve today s publicly expressed attitudes toward law enforcement often reflect Socrates dilemma and the concerns of Juvenal more than that of Plato s tributes Contemporary debates concerning the increase in violent crime and the need for fundamental changes to American policing reached a new intensity and stalemate with the death of George Floyd in Minneapolis in May 2020 Police officers shot and killed 999 people in 2019 and 1021 people in 2020 in the United States 2020 was also one of the deadliest years for law enforcement with 264 officers killed the highest since 1974 In the first six months of 2021 523 civilians were shot and killed by officers Numerous active and former police officers face criminal charges for the January 6 United States Capitol Attack in Washington DC in 2021 Many current and former employees of the U S Border Patrol were discovered to be members of a Facebook group that posted racist and anti immigration content Sixty current members were found to have committed misconduct by posting explicit and violent messages mocking migrants and threatening lawmakers on the site Communities are now hiring civilians to high positions in the police department s command staff justifying the need to improve deteriorating community relations For the first time in its 27 years of measuring confidence in the police in the United States Gallup found that most American adults do not trust law enforcement This book investigates and exposes the complex challenges facing law enforcement leaders and government officials with

police reform policies and standards police accreditation and police legitimacy in the eyes of the community Through informative and educational discussions with law enforcement leaders from various agencies professional police organizations and academic researchers the book qualitatively evaluates individual autonomy organizational culture and political environments which influence strategic decisions made on policy and reform efforts by law enforcement officials in the United States within the milieu of national police accreditation **Criminal justice management course** United States. Law Enforcement Assistance Administration,1981 **Rethinking and Reforming American Policing** Joseph A. Schafer,Richard W. Myers,2022-01-01 Policing in the US and many western nations is in an era of crisis facing extensive calls for reformation and change This edited book outlines the major challenges and changes needed to achieve a more stable future for the policing profession and police organizations The chapters come from innovative police leaders and officers as well as academics with subject matter expertise to provide insight into how reform can be done with the police It focusses on how leaders should understand and approach their role during times of instability and uncertainty It starts with an examination of how policing reached this state of crisis and discusses some interviews conducted with police leaders particularly chiefs as agents of change and reform This is followed by chapters from several veteran police leaders and personnel describing some of the factors that brought policing to this critical time of change and reform how has policing evolved in the late 20th and early 21st centuries and how that impacts the current environment and some potential strategies to create meaningful change while considering unintended consequences The following chapters from academics seek to define paths that policing can take toward needed changes that will increase legitimacy trust and equality of policing services It speaks to students academics and professionals interested in police organization and administration police leadership and contemporary issues in policing and criminal justice Community Policing in a Rural Setting Quint Thurman,Edmund F. McGarrell,2014-10-13 The authors provide stepping stones for rural and small town agencies to make the organizational changes needed for community policing to take hold The book introduces the concept of community policing and its many benefits to the agencies and communities that adopt it Important issues discussed include the challenge of organizational change as well as examples of community policing obstacles and successes and the future of community policing in the 21st century **Criminal Justice Planning and Management Series** ,1981 Police and Policing Dennis Kenney,Robert Hartmann McNamara,1999-03-30 Since the publication of the first edition of Police and Policing in 1989 the amount of research being conducted on the police as well as public interest in the issues concerning the role of law enforcement has grown considerably This second complementary edition examines new issues and changes in law enforcement since 1989 drawing from the most recent and creative research projects in the field Some of the country s leading experts discuss their findings on topics such as officer fatigue collaborative problem solving tactical patrol suicide the role of religion in law enforcement affirmative action and psychological testing This edited collection will prove to be an
