A Walk in the Park, With Monsters D. Roland Hess, 2019-02-07 I m a nerd A nerd for magic But now I m buff P When the Praecants have decided that you re working for them or else you don t have a lot of choice in the matter It could be worse I got beaten into way better shape learned a lot about tracking and killing magical creatures and finally made a genuine friend who shares my interest in magical technology Of course Babd is still running around spreading her own kind of adorable chaos All of this stuff the other worlds the proximity to magic maybe even Babd herself is starting to get inside my head And what s with all the magical creatures that have started popping up I m still a nerd at heart but things are changing Follow Lincoln Babd Fox Gwen and some new friends as they try to secure a summit of the world s most powerful Praecants in Pittsburgh of course None of them trust each other so holding it in a place where magic barely works is the only way to get them all in the same room Will Lincoln stop being so nerdy Will Fox find a sentient holster and settle down Will Babd ever eat her kibble Download it now Warnings language and violence Q A with the Author LFBD had a strong set of themes What are the themes for A Walk In The Park LFBD s over riding theme was the cycle of behavior drives biology drives behavior and I crafted a lot of the arcs to specifically show how that cycle can lead one in different directions both good and bad Walk takes on something a little bit but not entirely different which is what happens when our own psychology and minds collide with and are influenced by those of others around us And what if those around us aren t merely humans but magic users creatures from different planes of existence and even demigods I guess the full theme is How we defend the Self against the influences the Other and maybe we don t always want to It s not nearly as succinct as LFBD but it worked This book has a lot more magical creatures How did you come up with them Well there s a part of the book where Gwen is telling Lincoln that he s become a monster hunter and she uses a very specific word instead of monster I thought it would be fun to take creatures from that other well known mythology as the descriptive basis for the morphs in Walk They aren t actually that but it was certainly the inspiration You ll have to get to that part of the book to see exactly what I m talking about Some parts of Walk touch on the Holocaust That s a sensitive topic How did you handle it From the time I had the idea of how that was going to weave into the story I wanted to make sure that it did so in a respectful manner I specifically included some friends from the Jewish community with family ties to that awful point in history in the beta reading group and asked for their frank feedback I was prepared to cut or alter the manuscript if it hit them with any level of offense I m glad to say that it did not so that part of the story stayed intact How do you keep the longer running action sequences clear and coherent For the big set pieces I usually have a vague idea of how they should flow To get the details I drag out action figures

and stuffed animals and then play the sequence out physically Things occur to you when you do it that way that I find hard to hold entirely in my head It s like Oh this person has no idea that other person is there how would that change their reaction I feel like it lends physical grounding to the scenes because they are physically grounded It s solid in my head and that comes through in the prose I would still like to buy a Babd Babd is still not for sale **Onward: The Search for the Phoenix Gem**

Steve Behling,2020-03-06 A magical all new story based on Disney and Pixar s film Onward Sadalia Brushthorn is an ordinary teenage elf She goes to school hangs out with her friends and dreams of becoming a journalist But the problem is nothing exciting ever seems to happen in her town of New Mushroomton Sadalia wonders if she ll ever get the chance to write a true investigative story Then one day something mysterious monumental and shockingly magical erupts at her high school sending everything into chaos And the whole event centers on two elf brothers Ian and Barley Lightfoot Sadalia thinks this is her chance to finally write a real story But there are so many questions What caused this event How are Ian and Barley involved And why were they searching for a magical object known as the Phoenix Gem It s up to Sadalia to set out on her own in questigation to follow the Lightfoot brothers epic quest and discover the truth about the events that transformed her town and her entire world **The Grimoire of Arcane Beasts**
