Nathalie Tocci

The Many Faces Of Brubels:

The Many Faces of Christianity ,2025-08-28 Is the Russian invasion of Ukraine a Holy War This book offers insights into the complex ideology of the Russki Mir or Russian World which must be understood as Russian shaped world order or peace but above all a claim to the sacred The collected essays describe how Far Right politics in Europe and its resonances with the Russian World nod to the changing meaning of Christianity defying and transforming the categories of religion and politics and challenging common conceptions of the role of Christianity in European politics

The Many Faces of Political Islam, Second Edition Mohammed Ayoob,Danielle Nicole Lussier,2020-01-03 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Fully revised and updated *The Many Faces of Political Islam* thoroughly analyzes the many facets of this political ideology and shows its impact on global relations

The Many Faces of Multilingualism Piotr Romanowski,Martin Guardado,2020-10-12 Multilingualism has become an increasingly common global phenomenon especially in the last two decades Therefore multilingual programmes have now been regarded as a cornerstone of education systems in many countries around the world Learning multiple languages helps us plug into a globalised world and strengthen links with a multitude of speakers from a diversified reality we live in Thanks to the researched cases described in the chapters further developments aimed at fostering multilingual practices in the contemporary world will be enhanced The chapters included in the present volume provide an overview of current theory research and practice in the field They deal with such prominent research topics as multilingual education language policies language contact identity of multilingual speakers to name only a few The selected chapters focus on the numerous and heterogeneous relations between languages They also incorporate a series of contextualized studies with diverse research designs applied in different settings across the globe This volume constitutes a pivotal reference source for the latest scholarly material on multilingualism from twelve different countries It is a thought provoking collection that provides a series of rich insights into the way multilingualism is practised in international contexts It is ideally designed for academics upper level students educators professionals and practitioners seeking linguistic and pedagogical guidance on multilingualism

The Many Faces of Clio Q. Edward Wang,Franz L. Fillafer,Georg G. Iggers,2007 Born in Germany Georg Iggers escaped from Nazism to the United States in his adolescence where he became one of the most distinguished scholars of European intellectual history and the history of historiography In his lectures delivered all over the world and in his numerous books translated into many languages Georg Iggers has reshaped historiography and indefatigably promoted cross cultural dialogue This volume reflects the profound impact of his oeuvre Among the contributors are leading intellectual historians but also younger scholars who explore the various cultural contexts of modern historiography focusing on changes of European and American scholarship as well as non Western historical writing in

relation to developments in the West Addressing these changes from a transnational perspective this well rounded volume offers an excellent introduction to the field which will be of interest to both established historians and graduate students

The Many Faces of Job Choon-Leong Seow, 2025-03-13 This handbook analyses in a comparative method and on an interdisciplinary level how the biblical figure of Job and his texts were interpreted from premodern times until today highlighting continuities and discontinuities The first volume addresses the premodern period and includes chapters on Second Temple Judaism Jewish Interpretations Christian Interpretations Islam Literature Visual Arts and Music The Many Faces of Christ Michele Bacci, 2014-03-15 Thanks to current portrayals of Jesus of Nazareth we are apt to think of him as having long hair and a short beard But the holy scriptures do not describe Christ's physiognomy and his representations are inconsistent in early Christian and medieval arts How did this long haired archetype come to be accepted in the late ninth century as the standard iconography of the Son of God To answer this question The Many Faces of Christ examines the complex historical and cultural dynamics underlying the making and final establishment of Christ's image between late antiquity and the early Renaissance Taking into account a broad spectrum of iconographic and textual sources Michele Bacci describes the process of creating Christ's image against the backdrop of ancient and biblical conceptions of beauty and physicality as indicators of moral ascetic or messianic qualities He investigates the increasingly dominant role played by visual experience in Christian religious practice which promoted belief in the existence of ancient documents depicting Christ's appearance and he shows how this resulted in the shaping of portrait like images that were said to be true to life With glances at analogous progressions in the Jewish Muslim Buddhist Hindu Jain and Taoist traditions this beautifully illustrated book will be of interest to specialists of Late Antique Byzantine and medieval studies as well as anyone interested in the shifting controversial conceptions of the historical figure of Jesus Christ **The Many Faces of Brussels** Pierre Wyvekens, Jacques Evrard, 1989 The Many Faces of Cancer R. Halstead Mason, 1977 **Colonial Spectacles** Marieke Bloembergen, 2006 Teilw zugl Amsterdam Univ Diss 2001 Revision of the author's thesis doctoral University of Amsterdam

Imagining the Congo K. Dunn, 2003-05-29 Understanding the current civil war in the Congo requires an examination of how the Congo's identity has been imagined over time Imagining the Congo historicizes and contextualizes the constructions of the Congo's identity in order to analyze the political implications of that identity looking in detail at four historical periods in which the identity of the Congo was contested with numerous forces attempting to produce and attach meanings to its territory and people Dunn looks specifically at how what he calls imaginings of the Congo have allowed the current state of affairs there to develop but he also looks at the broader conceptual question of how the concept of identity has developed and become important in recent international relations scholarship **Worthy Efforts: Attitudes to Work and Workers in Pre-Industrial Europe** Catharina Lis, Hugo Soly, 2012-07-26 In Worthy Efforts Catharina Lis and Hugo Soly offer an innovative approach to the history of perceptions and representations of work in Europe throughout Classical Antiquity and

the medieval and early modern periods **Interrogating the New Economy** Norene Pupo, Mark Preston Thomas, 2010-01-01 This collection challenges outdated notions of a universal worker offering a glimpse of work organization management and worker militancy It will be of value to academics and activists alike Pam Sugiman Ryerson University

The EU and Conflict Resolution Nathalie Tocci, 2007-05-22 Through the study of five ethno political conflicts lying on or just beyond Europe's borders this book analyzes the impact and effectiveness of EU foreign policy on conflict resolution Conflict resolution features strongly as an objective of the European Union's foreign policy In promoting this aim the EU's geographical focus has rested primarily in its beleaguered backyard to the south and to the east Taking a strong comparative approach Nathalie Tocci explores the principal determinants of conflict dynamics in Cyprus Turkey Serbia Montenegro Israel Palestine and Georgia in order to assess the impact of EU contractual ties on them The volume includes topical analysis based on first hand experience in depth interviews with all the relevant actors and photography in ongoing conflict areas in the Middle East the Eastern Mediterranean the Balkans and the Caucasus This revealing study shows that the gap between EU potential and effectiveness often rests in the specific manner in which the EU collectively chooses to conduct its contractual relations The EU and Conflict Resolution will be of interest to all readers who wish to acquire an excellent understanding of the EU's impact on conflict contexts and will appeal to scholars of European politics security studies and conflict resolution *Regional Comparisons in Comparative Policy Analysis Studies* Iris Geva-May, B. Guy Peters, Joselyn Muhleisen, 2020-06-29 Volume Three of the Classics of Comparative Policy Analysis contains chapters concerned with Regional Comparisons and Policy Analysis one of the most prevailing approaches in comparative public policy Through the prism of inter jurisdiction comparisons of similarities and variations they address comparisons in specific policy sectors governance or institutional constructs and political regimes The foci are nevertheless on those comparisons between countries or regions which help to lesson draw by identifying and understanding the variation in policy analysis and policy making that exists within or across regions One benefit of regional comparisons is that it often allows studies to hold constant many variables ranging from colonial legacy to federal systems or from language to specific traditions and more effectively isolate dependent variables Regional organizations like the Organization for Economic Co operation and Development OECD or European Union are also considered as catalysts for regional policy approaches and harmonization and occupy a major role in this volume The chapters address a broad and diverse number of countries and geographical areas Latin America North America East Asia Southeast Asia Southern Africa the Baltic states the Nordic states Western Europe Central Europe Eastern Europe and Europe as a whole Regional Comparisons and Policy Analysis will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of

comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters

Emerging Governance of a Green Economy Jenny M. Fairbrass, Nicholas Vasilakos, 2021-01-21 A review of the governance measures being trialled to reduce adverse human impacts on the environment in the European region

Between Mobility and Migration Peter Scholten, Mark van Ostaïjen, 2018-07-20 This open access book offers a critical perspective on intra European mobility and migration by using new empirical data and theoretical discussions It develops a theoretical and empirical analysis of the consequences of intra European movement for sending and receiving urban regions in The Netherlands Sweden Austria Turkey Poland and Czech Republic The book conceptualizes Central and Eastern European CEE migration by distinguishing between different types of CEE migrants and consequences This involves a mapping of migration corridors within Europe a unique empirical analysis of consequences for urban regions and an analysis of governance responses Next to the European and country perspectives on this phenomenon the book focuses on the local perspective of urban regions where most mobile citizens settle either permanently or temporarily This way the book puts the analysis of intra European movement in the perspective of broader theoretical debates in migration studies and beyond

The New Eurocrats Paul Hart, Karin Geuijen, Kutsal Yesilkagit, Sebastiaan Princen, 2025-10-01 Policies in the EU are largely made by national civil servants who prepare and implement decisions in Brussels as well as at home Despite their important role these national civil servants form a relatively hidden world that has received little attention from both the media and academics This volume considers a wide variety of sources and research methods to answer such questions as how many civil servants are actually involved in EU related activities What do these civil servants do when they engage with the EU And how do they negotiate their dual roles The New Eurocrats offers unique and invaluable insights into these civil servants and their working practices and uncovers some secrets in the world of EU governance along the way

The CIS, the EU and Russia K. Malfliet, L. Verpoest, E. Vinokurov, 2007-05-10 This book focuses on the difficulties facing Russia Ukraine and Belarus with regard to their integration into both the CIS and the encroaching EU It analyzes the links between the integration mechanisms of the CIS and EU and the various state policies towards and the elite interests in the territory of the former Soviet Union

Europeanization and Territorial Politics in Small European Unitary States Sandrina Antunes, John Loughlin, 2020-12-17 The book addresses the impact of the European Union EU on subnational mobilization in small unitary states Located at the intersection of contributions from the literatures on multilevel governance and Europeanization this book offers a new theoretical framework to account for state rescaling processes in small unitary states By means of a comparative analysis of eight small unitary states in Europe this book shows that the

impact of the EU on subnational mobilization is filtered through domestic mediating factors which can lead to three possible outcomes decentralization recentralization or no change The book offers a balanced combination of analytical clarity and the richness of empirical accounts in a wide diversity of case studies It sheds a new light on the hybrid nature of the European polity and demonstrates that member state governments have remained the most important pieces of the European puzzle Overall it arrives at two conclusions first that we are witnessing a transformation of the state rather than its demise second the notion of a Europe of the Regions in small unitary states was no more than a damp squib The chapters in this book were originally published as a special issue of the journal Regional Federal Studies

Strategic Innovative Marketing and Tourism Androniki Kavoura,Efstathios Kefallonitis,Apostolos Giovanis,2019-07-03 This book covers a very broad range of topics in marketing communication and tourism focusing especially on new perspectives and technologies that promise to influence the future direction of marketing research and practice in a digital and innovational era Among the areas covered are product and brand management strategic marketing B2B marketing and sales management international marketing business communication and advertising digital and social marketing tourism and hospitality marketing and management destination branding and cultural management and event marketing The book comprises the proceedings of the International Conference on Strategic Innovative Marketing and Tourism ICSIMAT 2018 where researchers academics and government and industry practitioners from around the world came together to discuss best practices the latest research new paradigms and advances in theory It will be of interest to a wide audience including members of the academic community MSc and PhD students and marketing and tourism professionals
