The Marauders:

The Marauders Patrick Strickland, 2022-01-25 The Marauders is a blistering book a hard ass stare into the voracious mouth of the US Mexico border Patrick Strickland has done a fine piece of reporting from places we don't dare to tread Luis Alberto Urrea author of The Devil's Highway This real life Western tells the story of how citizens in a small Arizona border town stood up to anti immigrant militias and vigilantes The Marauders uncovers the riveting nonfiction saga of far right militias terrorizing the border towns of southern Arizona In one of the towns profiled Arivaca rogue militia members killed a man and his nine year old daughter in 2009 In response the residents organized and spent two years trying to push the new militias out through boycotts and by urging local businesses to ban them The militias and vigilante groups again raised the stakes spreading Pizzagate style conspiracy theories alleging that town residents were complicit in child sex trafficking prompting fears of vigilante violence The Marauders flips the standard formula most often applied to stories about immigration and the far right Too often those stories are told from the perspective of the ones committing the violence While Strickland doesn't shy away from exploring those dark themes the far right are not the protagonists of the book Rather the people targeted by hate groups and the individuals who rose up to stop them in their tracks are the heroes of this dramatic story

The Marauders Tom Cooper, 2015-11-03 A little Elmore Leonard a little Charles Portis and very much its own uniquely American self Tom Cooper has written one hell of a novel Stephen King When the BP oil spill devastates the Louisiana Gulf Coast the citizens of the bayou town of Jeanette scramble to replace their lost livelihoods Among them is one armed pill popping shrimper Gus Lindquist who has nothing left but the dying glimmer of a boyhood dream finding the lost treasure of pirate Jean Lafitte With his metal detector and Pez dispenser full of Oxycontin Lindquist steers his rickety shrimp boat into the savage Louisiana swamps Along his journey Gus meets a motley crew of characters Wes Trench a young Cajun man estranged from his father since his mother died in Katrina Reginald and Victor Toup sociopathic twin brothers and drug lords Cosgrove and Hanson petty criminals searching for a secret that could make them rich or kill them and Brady Grimes a BP middleman out to make his career by swindling the townsfolk of Jeanette among them his own mother Funny dark and compelling The Marauders throws these characters on a rollicking collision course that all of them might not survive

The Marauders' Island Tristan J. Tarwater, 2016-06-30 Azria is a mage of Miz trained to wield the magic her country is famous for When her estranged mother alleged pirate Captain Apzana of the Hen Chick shows up on her 16th birthday offering her adventure Azria leaves the life she knows for the promise of riches renown and danger at her mother's side But more mysteries than answers surface when Apzana reveals why she's called on Azria after years of absence the treasure of the Marauders Island an island sunk into the Sapphire Sea generations ago by the infamous mage Iyzani If Azria can raise the island the score of a thousand shores will be theirs for the taking and she'll secure her place among her mother's crew But when Iyzani emerges from the shadows to stop them Azria must summon her power and navigate the waters of revenge and

Sally vs The Marauders: The Case for the Defense Alexie Linn, 2024-11-29 Have you ever felt like you have to don your Yosemite Sam persona to protect your home from marauders But not because you flaunt and hoard treasure Oh no It's because the marauders aren't in it for the loot alone The marauders get their kicks from breaking and turning everything in their path inside out It's like they get their jollies from turning tidy functional and organized needs into heaps of trash The cost in dollars time and outside help to repair and replace what these yahoos tear apart is more than Sally can manage at 87 years old She's had it And she's taking them on In her own feisty clever way Until Sally gets served with papers The marauders are suing Sally Merrill's Marauders Edward M. Young, 2012-09-20 Merrill's Marauders were the first American Army infantry unit to fight in the China Burma India theatre and one of the most renowned units to come out of World War II The Marauders established a lasting reputation for hard fighting and tenacity in the face of adversity combating a determined enemy some of the most difficult and disease ridden terrain in the world and a seemingly indifferent higher command Pushed beyond the limit of their endurance at the end of nearly six months of operations behind Japanese lines the remaining Marauders were withdrawn from combat after suffering over 90% casualties Because of its courageous actions the unit received the very rare honour of having every member presented with a Bronze Star for gallantry This book explores the creation training and combat experiences of the Marauders one of the most famous units in the US Army's roll of honour

Nations in the Balance Christopher L. Kolakowski, 2022-03-18 An account of the decisive WWII battles that helped shape Asia's future Reminds us of the high stakes at risk for both Allies and Axis powers in Burma Military Review From December 1943 to August 1944 Allied and Japanese forces fought the decisive battles of World War II in Southeast Asia Fighting

centered around North Burma Imphal Kohima and the Arakan involving troops from all over the world along a battlefield the combined size of Pennsylvania and Ohio The campaigns brought nations into collision for the highest stakes British and Indian troops fighting for Empire the Indo Japanese forces seeking a prestige victory with an invasion of India and the Americans and Chinese focused on helping China and reopening the Burma Road Events turned on the decisions of the principal commanders Admiral Louis Mountbatten and Generals Joseph Stilwell William Slim Orde Wingate and Mutaguchi Renya among many others The impact of the fighting was felt in London Tokyo Washington and other places far away from the battlefield with effects that presaged postwar political relationships This was also the first U S involvement in Southeast Asia and Stilwell s operations in some ways foreshadowed battles in Vietnam two decades later Nations in the Balance recounts these battles offering dramatic and compelling stories of people fighting in difficult conditions against high odds with far reaching results It also shows how they proved important to the postwar future of the participant nations and Asia as a whole with effects that still reverberate decades after the war

The Battle of Jettena Junction A.W. Bennett, Ben Lewis, 2020-10-31 The Battle of Jettena Junction is a remarkable work This intriguing combination of fiction work and history textbook subverts and reverses the expectations of historical fiction using plot as the backdrop for history rather than history as the backdrop for plot a history book with a dash of fiction rather than a fiction book with a dash of history

Through the Valley Part 1 Jordan Buendia, 2024-03-13 The Dark Plague infection has spread rapidly across the globe. On a late evening of a deadly outbreak in Glendale, Arizona, Jonathan Strain suffers from the tragic loss of his beloved wife Melanie. A year after Outbreak Day, he loses his sanity, eventually becoming a ruthless killer for a savage group known as the Marauders. Throughout many dark years, Jonathan has stolen, tortured, and killed alongside their leader Tyron Morales, a ruthless man with a vision to restore order to this new world he desperately craves to build and control. Eventually, Jonathan leaves them behind along with his dark past, then travels to Nevada where he partners up with four other survivors. During their struggle for survival, they hear about a safe community in Virginia known as New Haven. As they try to escape the ruined state of Nevada, Jonathan's past catches up to him. After his capture, Jonathan suddenly finds himself responsible for a fourteen-year-old girl who joins alongside him on their journey across America. Unfortunately, their expedition will not be so easy with Tyron and the Marauders on their tails because of Jonathan's heroic actions against the group of savages.

The Burma Campaign Frank McLynn, 2011-10-04 This history reveals the failures and fortunes of leadership during the WWII campaign into Japanese-occupied Burma, a thoroughly satisfying experience. Kirkus Acclaimed historian Frank McLynn tells the story of four larger-than-life Allied commanders whose lives collided in the Burma campaign, one of the most punishing and protracted military adventures of World War II. This vivid account ranges from Britain's defeat in 1942 through the crucial battles of Imphal and Kohima, known as the Stalingrad of the East, and on to ultimate victory in 1945. Frank McLynn's narrative focuses on the interactions and antagonisms of its principal players: William Slim, the brilliant general; Orde Wingate, the idiosyncratic commander of a British force of irregulars; Louis Mountbatten, one of Churchill's favorites overpromoted to the position of Supreme Commander S.E. Asia; and Joseph V. "Joe" Stilwell, a hard-line and openly anti-ghaphobic U.S. general. With lively portraits of each of these men, McLynn shows how the plans and strategies of generals and politicians were translated into a hideous reality for soldiers on the ground.

Stilwell the Patriot David Rooney, 2016-08-16 Joe Stilwell, known as "Vinegar Joe" for his caustic personality, was stationed in Burma during World War II and famously differed in strategy from other commanders in his division. In retrospect analyses, it's said that if he had gotten his way, the United States might have defeated the Communists in 1945 and changed the course of history. This meticulously researched biography of Vinegar Joe presents an intimate account of his career working as Chinese military leader Chiang Kai-shek's chief of staff, the commander of the Chinese divisions in Burma, and the deputy supreme commander of the South East Asia Command. It explores Stilwell's determination to drive a road through the jungle in order to reopen the old Burma Road and his passion to ensure that the colossal American contribution to the Burma Campaign was not misappropriated by

Chiang his boss In recounting Vinegar Joe s unusual escapades historian David Rooney provides an intimate understanding of why Stilwell came to distrust and despise Chiang and why he was fiercely critical of his fellow commanders Simultaneously sympathetic and critical the biography is one of a controversial American patriot And in addition to Rooney s compelling and enlightening text Stilwell the Patriot features fifteen black and white photographs and six maps The images includes photographs of Stilwell and Chiang American tanks in Burma and maps of where nearby battles took place After a limited print run more than ten years ago Stilwell the Patriot is being put back in print shortly after the seventieth anniversary of the Burma Campaign Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Return of the Marauder Men ,1993-06-20 From the intro Eight B 26 Marauder bombardment groups flew and fought from British soil from the late 1943 through October 1944 They then moved on to France with the advancing Allies and a few of these became part of the army of occupation in Germany at the end of the war The B 26 Marauder Historical Society is composed of the men who built maintained and flew this controversial aircraft They were called The Marauder Men who it is said succeeded against impossible odds

Owen Noone and the Marauder Douglas Cowie,2008-12-15 Owen Noone is a charismatic minor league baseball player who gives it all up to sing punked out folk songs The Marauder is a shy college grad with a fledgling case of hero worship Armed with their songbook of Lomax classics and two freshly minted guitars they crisscross the country playing in coffee shops and on sidewalk corners When their single finds its way to a college radio station and gets major air time it seems like their rock n roll dream has finally come true A major label signs them they kickstart a national tour and the bands they once headlined for now headline for them But Owen and the Marauder soon discover that while becoming famous can be easy being famous is not Thrust into the role of rock stars they struggle to adjust Things begin to go sour when Owen grows obsessed with derailing the election of his estranged father who is running for the U S Senate on a family values platform As reporters dig and disasters strike it quickly becomes clear that Owen Noone and the Marauder might not be able to survive the wealth of their own publicity a reality neither friend bargained for and one that very well might be the undoing of their legend

Stilwell and the Chindits Jon Diamond,2014-08-20 This latest book in the highly successful Images of War series covers the dramatic events that saw ultimate Allied victory over the Japanese in remote Northern Burma on the Chinese border The plan involved two separate but concurrent operations US Army General Joseph Stilwell was ordered to train up two Chinese divisions and together with

a US special force Merrill's Marauders advance to seize the key Japanese base at Myitkyina. At the same time Brigadier Orde Wingate and his 77 Brigade known as the Chindits penetrated and fought deep behind Japanese lines. While the success of this Operation LONG STOP remains debatable, the Chindits' courage and determination destroyed the myth of Japanese invincibility. Despite terrible deprivation, a second, much larger operation THURSDAY went ahead. As this highly informative and well-illustrated book reveals, the concept was ultimately successful, with Myitkyina falling to Stilwell's Chinese US force in mid 1944. The Chindits and Marauders, now greatly depleted by enemy action, malnutrition, and disease, were evacuated to India but became legends.
