Services**

The Maritime History Of Russia 1848 1948:

The Maritime History of Russia, 1848-1948 Mairin Mitchell, 1949 **Alaska History, 1741-1910** Historic Sites Survey (U.S.), United States. National Park Service, 1961 Russia in Pacific Waters, 1715-1825 Glynn Barratt, 2011-11-01

This is the first study in Russian or Western literature of the rise and fall of Russian naval influence in the North Pacific Ocean from the time of Peter the Great to Tsar Nicholas I. The author deals with a neglected area inherent tension between Russian naval and mercantile interests and the origins of international rivalry in the North Pacific at large. Barratt shows that Russia's motives for early expeditions to the Pacific were to promote science exploration and trade. But when imperialist powers vied for territory and resources in the area, military confrontation became a possibility. Rivalries within Russia and government caution curbed the build up of any effective counterforce and dealt the final blow to Russia's naval ambitions. Her hopes for hegemony in the North Pacific and in Russian North America collapsed in 1825, marking the end of an enterprising era for the Russian navy in Pacific waters. The navy learned from these early experiences that it was incapable of a great power role in the Pacific without an independent self-sufficient Pacific-based fleet. This book is a major original contribution to its subject. An impressive list of sources includes accounts in Russian and valuable materials from Russian archives.

A History of Soviet Russia Georg von Rauch, 1964 Strategic Review, 1994 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States Russian Seapower and 'the Eastern Question' 1827-41 John C.K. Daly, 1991-06-18. Focusing on the Black Sea fleet between 1827-1841, this book assesses Russia's naval strength against other Mediterranean powers, especially the Ottoman Empire, arguing their limitations came from geographic, political, and economic considerations. Primary and secondary sources are utilized.

Soviet Bibliography United States. Department of State. Division of Library and Reference Services, 1949 **The English Catalogue of Books Published from January, 1835, to January, 1863**, 1864

"Friends in Peace and War" C. Douglas Kroll, 2007. Great friendship existed between the United States and Imperial Russia during the nineteenth century. The Old World Russian autocracy supported the young New World democracy because of the emerging U.S. role as a bulwark against Great Britain's ambitions in Asia and in the North Pacific Ocean region, especially in fact when the American Civil War threatened to divide the United States. Russia alone among the European great powers gave no aid or comfort to the seceding states. The surprise 1863 arrival of squadrons of Russian warships and thousands of Russian sailors in New York and San Francisco proved fortuitous, coming when the Union feared British and French intervention on the Confederacy's behalf. C. Douglas Kroll, using both Russian and U.S. documents, investigates why the Russian Pacific Squadron came to San Francisco, a port of departure for California and Nevada gold, headed east, what happened during its nearly year-long visit, and how its presence influenced events. With the units of the U.S. Navy's small Pacific Squadron widely dispersed and Confederate commerce raiders on the loose, the Russians' arrival suggested to on

lookers that they intended to defend the Union against interference Whether actively supporting the Union or training and refitting or both the Russian officers and sailors endeared themselves to San Francisco s citizens Parades and balls as well as dinners hosted by both sides helped San Franciscans overlook the various differences they had with their Russian visitors Kroll gives us a thorough examination of the Russians visit and its social diplomatic and military impact Maritime and Naval History ,1972 Seapower in Global Politics, 1494-1993 George Modelski,William R. Thompson,1988-06-18 **The Places of Modernity in Early Mexican American Literature, 1848-1948** José F. Aranda,2022-02 2023 Choice Outstanding Academic Title In The Places of Modernity in Early Mexican American Literature 1848 1948 Jos F Aranda Jr describes the first one hundred years of Mexican American literature He argues for the importance of interrogating the concept of modernity in light of what has emerged as a canon of earlier pre 1968 Mexican American literature In order to understand modernity for diverse communities of Mexican Americans he contends one must see it as an apprehension both symbolic and material of one settler colonial world order giving way to another more powerful colonialist but imperial vision of North America Letters folklore print culture and literary production demonstrate how a new Anglo American political imaginary revised and realigned centuries old discourses on race gender class religion citizenship power and sovereignty The modern Aranda argues makes itself visible in cultural productions being foisted on a conquered people who were themselves beneficiaries of a notion of the modern that began in 1492 For Mexican Americans modernity is less about any particular angst over global imperial designs or cultures of capitalism and more about becoming the subordinates of a nation building project that ushers the United States into the twentieth century *The Nautical Magazine* ,1950 **Soviet Military Power** Army Library (U.S.),1959 The Broken Seal Ladislav Farago (historien.),1967 **Proceedings of the Conference on War and Diplomacy, 1976** David H.
