The Magic Pill for Death Sukan Sethi,2015-06-24 Death is fair to all and treats everyone alike At the time of Death nobody fails everybody passes away The moment you are born you have a death sentence upon you When Where and How are the only questions but you are on Death Row Your Death is confirmed isn t it Keep in mind that when we were born we weren t sent with a one way ticket A confirmed return ticket has been irrevocably issued at the time of birth We may know the time of coming and choose a desired place for the arrival but the details of the return trip is secretly locked away by the Universe Death is the final destination of the body not of the soul The Magic Pill for Death will not prevent you or others from dying but rather prepare you for it It will strengthen you through awareness to accept the inevitable and accept it with strength and dignity If you have lost a loved one If you have lost a beloved pet If you are facing Death or know somebody who is dying If someone you know has lost a loved one If you want to better understand the phenomena of Death Then look no further this book will help you **Toto** A. J. Hackwith,2024-11-12 The true hero of The Wizard of Oz takes center stage in this brilliant delightfully snarky reimagining from the author of The Library of the Unwritten I was mostly a Good Dog until they sold me out to animal control okay But if it s a choice between Oz with its creepy little singing dudes and being behind bars in gray old Kansas I ll choose the place where animals talk and run the show for now thanks It s not my fault that the kid is stuck here too or that she stumbled into a tug of war over a pair of slippers that don t even taste good Now one witch in good eyeliner calls her pretty and we re off on a quest Teenagers I try to tell her she s falling in with the wrong crowd when she befriends a freaking hedge wizard made of straw that blue jay with revolutionary aspirations and the walking tin can Still I m not one to judge when there s the small matter of a coup in the Forest Kingdom Look something really stinks in Oz and this Wizard guy and the witches positively reek of it As usual it s going to be up to a sensible little dog to do a big dog s job

and get to the bottom of it And trust me Little dogs can get away with anything
