The Magic Of Woody Allen:

The magic of Woody Allen Diane Jacobs,1978 **But We Need the Eggs** Diane Jacobs,1983-07-01 Annie Hall Peter Cowie,2019-07-25 For an entire generation Annie Hall embodied the notion of a New York peopled by sophisticated intellectuals all sent up by the deadpan comedy genius of Woody Allen writer director and of course star It also confirmed the sparkling acting talent of Diane Keaton as a partner for Woody on screen The film has survived as a popular comedy however by virtue of Allen's inventiveness as a director and the timelessness of his satire Peter Cowie's study of Annie Hall recaptures the mood of the 70s and examines the myriad imaginative touches that distinguish this film from other American productions of the period The book also includes a glossary of the many cultural references which give the film its distinctively intellectual tone

The Reluctant Film Art of Woody Allen Peter Bailey,2010-09-12 For three decades no American filmmaker has been as prolific or as paradoxical as Woody Allen From *Play It Again Sam* 1972 through *Celebrity* 1998 and *Sweet and Lowdown* 1999 Allen has produced an average of one film a year yet in many of these films Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists In examining Allen's filmmaking career *The Reluctant Film Art of Woody Allen* demonstrates that his movies often question whether the projected illusions of magicians artists benefit audience or artists Other Allen films dramatize the opposed conviction that the consoling life redeeming illusions of art are the best solution humanity has devised to the existential dilemma of being a death foreseeing animal Peter Bailey demonstrates how Allen's films repeatedly revisit and reconfigure this tension between image and reality art and life fabrication and factuality with each film reaching provisional resolutions that a subsequent movie will revise Merging criticism and biography Bailey identifies Allen's ambivalent views of the artistic enterprise as a key to understanding his entire filmmaking career Because of its focus upon filmmaker Sandy Bates's conflict between entertaining audiences and confronting them with bleak human actualities *Stardust Memories* is a central focus of the book Bailey's examination of Allen's art life dialectic also draws from the off screen drama of Allen's very public separation from Mia Farrow and the book accordingly construes such post scandal films as *Bullets Over Broadway* and *Mighty Aphrodite* as Allen's oblique cinematic responses to that tabloid tempest By illuminating the thematic conflict at the heart of Allen's work Bailey seeks not only to clarify the aesthetic designs of individual Allen films but to demonstrate how his oeuvre enacts an ongoing debate the screenwriter director has been conducting with himself between creating cinematic narratives affirming the saving powers of the human imagination and making films acknowledging the irresolvably dark truths of the human condition

Start to Finish Eric Lax,2017 Introduction The script The money The cast the cinematographer Locations production design and costumes The shoot Editing The music The color correction and the mix The end **Hermeneutics of the Film World** Alberto Baracco,2017-10-09 This book identifies a new methodological strategy for the interpretation of film philosophizing Many recent works in film philosophy adopting the approach identified with the term film as philosophy have

considered film as capable of doing philosophy Focused on the basic relationship between film and filmgoer the proposed method is founded on the concept of the film world Combining Merleau Ponty's and Ricoeur's philosophies and reconsidering Goodman's theory of worldmaking the film world becomes the hermeneutic horizon from which film philosophical thought can emerge The book shows how Ricoeurian methodology has the potential to provide a valuable resource for film studies by inviting scholars to consider film interpretation in terms of film world hermeneutics

American Jewish Filmmakers David Desser, Lester D. Friedman, 2023-10-13 Woody Allen Mel Brooks Sidney Lumet and Paul Mazursky all sons of East European Jews remain among the most prominent contemporary American film directors In this revised updated second edition of *American Jewish Filmmakers* David Desser and Lester D Friedman demonstrate how the Jewish experience gives rise to an intimately linked series of issues in the films of these and other significant Jewish directors The effects of the Holocaust linger both in gripping dramatic form Mazursky's *Enemies a Love Story* and in black comedy Brooks's *The Producers* In his trilogy consisting of *Serpico* *Prince of the City* and *Q A* Lumet focuses on the failure of society's institutions to deliver social justice Woody Allen portrays urban life and family relationships *Manhattan* and *Hannah and Her Sisters* sometimes with a nostalgic twist *Radio Days* This edition concludes with a newly written discussion of the careers of other prominent Jewish filmmakers such as Steven Spielberg Barry Levinson Brian Singer and Darren Aronofsky

Genre-Busting Dark Comedies of the 1970s Wes D. Gehring, 2016-03-29 This examination of dark comedies of the 1970s focuses on films which concealed black humor behind a misleading genre label *All That Jazz* 1979 is a musical about death hardly Fred and Ginger territory This masking goes beyond misnomer to a breaking of formula that director Robert Altman called anti genre Altman's *MASH* 1970 ridiculed the military establishment in general the Vietnam War in particular under the guise of a standard military service comedy The picaresque Western *Little Big Man* 1970 turned the bluecoats vs Indians formula upside down the audience roots for the Indians instead of the cavalry The book covers 12 essential films including *Harold and Maude* 1971 *Slaughterhouse Five* 1972 *One Flew Over the Cuckoo's Nest* 1975 and *Being There* 1979 with notes on *A Clockwork Orange* 1971 These films reveal a compounding complexity that reinforces the absurdity at the heart of dark comedy

Seeing Through the Eighties Jane Feuer, 1995-10-26 With a cast of characters including Michael Hope Elliot Nancy Melissa and Gary Alexis Krystle Blake and all the other Carringtons not to mention Maddie and David and even Crockett and Tubbs Feuer smoothly blends close readings of well known programs and analysis of television's commercial apparatus with a thorough going theoretical perspective engaged with the work of Baudrillard Fiske and others Her comparative look at Yuppie TV Prime Time Soaps and made for TV movie Trauma Dramas reveals the contradictions and tensions at work in much prime time programming and in the frustrations of the American popular consciousness *Seeing Through the Eighties* also addresses the increased commodification of both the producers and consumers of television as a result of technological innovations and the introduction of new marketing techniques
