created a lovely story about a little boy and his mother and how a pack of magic seeds changed their lives The Magic Seeds is a fantastical story about a modern day urban family that faces the average daily challenges that many people face However in this story as in all fairy tales there s a very happy ending The Magic Seeds does not have goblins giants or evil stepmothers in it What it does touch on are real life situations such as finding good childcare spending quality time with your children as a single parent and making the best of your situation By reading The Magic Seeds you and your family will smile and laugh at the way little Johnny creates fun in his life and recognizes his mother s determination to do her best to give her son a great childhood on a budget This is a feel good story that will remind you that it s the small things that truly matter most

Magic Seeds for Success Napoleon Hill, Judith Williamson, 2019-02-15 It has been said that when the student is ready the teacher will appear Most often the answers we seek are inside each of us but it often takes someone else to show us the direction in which to proceed This book helps the reader create their own personalized roadmap to success It only takes a few weeks to cultivate a good habit and it has been said that we first make our habits and then our habits make us Just as millions of other Napoleon Hill readers have done for nearly one hundred years the message you are to receive if you are ready to receive it is that there is a roadmap to success You too can attain the success in life most people only dream of attaining But first you must study and then follow in the footsteps of those who have achieved their goals This book starts you on the process of planting an idea nurturing the idea and then harvesting your own victory garden Kibo and the Magic Seeds Yandaga, 2008-07 The Magic Seeds Perla S.
