**Widows' Words** Nan Bauer-Maglin, 2019-05-03 Becoming a widow is one of the most traumatic life events that a woman can experience Yet as this remarkable new collection reveals each woman responds to that trauma differently Here forty three widows tell their stories in their own words Some were widowed young while others were married for decades Some cared for their late partners through long terminal illnesses while others lost their partners suddenly Some had male partners while others had female partners Yet each of these women faced the same basic dilemma how to go on living when a part of you is gone Widows Words is arranged chronologically starting with stories of women

affronted death I allowed other men to touch my body I met men and women and listened to their stories I stirred  
controversy and passions and all that led me where To understand that to live is to be marked to see life in the present tense  
To live is to change to acquire the words of a story and this is the only celebration we mortals really know The words of a  
story Still doubting Deep into that darkness peering long I stood there wondering fearing doubting dreaming dreams no  
mortal ever dared to dream before Edgar Allan Poe Ondine s story is dedicated to all those men and women I will never meet  
in person and whose lives collapsed on a beautiful day condemned to an incurable illness It is my hope that Ondine s story  
will be like a ray of sunshine a pleasant interlude in their daily wrestle And when they feel depressed defeated and  
overwhelmed by their fate I would like to remind them that for as little as we know with certitude for wealthy or poor for  
healthy or sick for old or younger for all of us sooner or later at the end of our journey through the space called Life there it  
is majestic in its implacable serenity silently awaiting the EXIT The book ends with a twist an unexpected twist that will truly
