Testimonies From The Darkside: Volume 1 Earl Pickett,2017-02-14 If there was a fight going on Jeremiah was at the center of it If there was someone his gang needed to be taken out he was ready to be a part of it His life was getting worse and worse and soon he became addicted to the same drugs that he was selling After making sure that the bullet was in place this time Johnny re pointed the gun to the back of Luke s head and pulled the trigger The recoil of the gun sounded like a cannon Blood was everywhere Luke s body went limp and Johnny casually walked away to reclaim the prize he thought a man s life was worth A shiny new Ford Mustang Later that night three men came by looking for Max When they realized that he wasn t in and that he left Mark guarding his hidden stash of drugs they decided to beat the information out him Mark refused to tell them where the drugs were and the three men beat him badly They would have

most likely killed him if it wasn't for the unbelievable happening. Right in the middle of beating Mark the three men started arguing and fighting with each other and left the house. After staying in the psychiatric ward for only eight months or so, Byron's efforts paid off. He was released to a halfway house. Unfortunately for him, this was the place where his life would continue to spiral further downward and eventually out of control. Robber. Rapist. Gang banger. Prostitute. Murderer. Can these people find salvation, forgiveness, and freedom from God? For too long, Church-going Christians have portrayed themselves to others as good people who come from good families. But Jesus didn't come to save good people from good families. He came to save sinners. The Testimonies from the Darkside series was written for the purpose of reminding people in and out of the Church that Jesus' main purpose for coming to this world and dying on the cross was to save people from their sins and to deliver them from the power of Satan and bring them into the Kingdom of God.

Mrs. Millionaire Short Story Book Series Volume 1 Marissa Marchan, 2021-09-22 Mrs. Millionaire Short Story Book Series Volume 1 is a collection of fictional stories. Each story focuses on an unlucky family or individual who crosses paths with Mrs. Millionaire. We've all met people who have made significant life changes and overcome adversity, but only a few have gone through such a remarkable transformation. With so many stories of hope, encouragement, and life lessons to be learned, it only takes one to make a difference. Wild child. Reckless youth. Unruly. Obstinate. Matilde Jane Parker, or Tilly, to her family and friends, is best known for her rebellious personality and reputation as a party girl. She is the daughter of a wealthy industrialist and grew up as an heiress and socialite in an upper-class family. She is intelligent and headstrong but despises school and everything it stands for, although she performs admirably with little effort. Tilly enjoys causing mischief, and her out-of-control behavior worsens as she gets older. Tilly meets Dusty, the man of her dreams, and learns for the first time in her life what it means to give in and when to walk away from a relationship. Because of this experience, she gains a newfound appreciation for her family. Unfortunately, it was too late. In the blink of an eye, it turned her entire world upside down. Her parents were killed in a car accident. She resents being forced to mature, to take over their family business, and she still feels this way after many years. Then one day, a traumatic event changes her perception of herself. Someone attacked her in the underground parking lot of her building. Thankful for a stranger saving her, it has changed her outlook on life and helped her become a better person. Rather than living her life as a victim, she uses her power and wealth to help those who cannot defend themselves. Tilly finds herself in various situations and occasionally works as an amateur detective who helps people in need solve the problems she is involved in. This story depicts Matilde's transformation from a troubled adolescent to a philanthropist. Nobody could have predicted that one day she would become a superhero without a mask or costume, assisting the poor, the homeless, and abandoned children.
