## **The Maritime Dimension:**

**The Maritime Dimension** Ronald Peter Barston, Patricia W. Birnie, 1980      **The Maritime Dimension of International Security** Peter Chalk, 2008-05-08 The vast size and highly unregulated nature of the world's waterways have made the maritime environment an increasingly attractive theater for perpetrators of transnational violence Piracy and sea borne terrorism have been on the rise since 2000 While the United States has spearheaded several important initiatives to improve maritime security the author urges policymakers to consider four additional measures to safeguard the world's oceans      **The Maritime Dimension of European Security** B. Germond, 2015-05-19 In an age of uncertainties influenced by information technologies and the networking of societies the maritime domain remains the main global lane of communication vital for trade and security The European Union has become a maritime actor carrying out counter piracy and maritime capacity building operations and actively dealing with maritime safety fisheries protection port security maritime surveillance and counter immigration at sea The Union's policies mechanisms and activities related to the maritime domain are now backed by a Maritime Security Strategy adopted by the Council in June 2014 This cutting edge book accounts for the trends in maritime strategy and seapower politics as well as the recent developments in the field both at the conceptual and practical level It discusses the significance of the maritime domain for European security in general and for the EU in particular Readers are provided with the necessary tools to critically assess the EU's potential as a global maritime actor and evaluate why Europe's prosperity and security rests on its capacity to shape events at sea      *The Maritime Dimension of the New NATO* Atlantische Commissie, 1999      **Asian Energy Security** H. Lai, 2009-03-02 The main focus of the contributors of this volume is to analyze closely major aspects of energy security energy diplomacy and maritime security in East and Southeast Asia Specifically they examine the current state of energy security and maritime security of China and Japan as well as Southeast Asia      **The Maritime Dimension of European Security** B.
