Marshall, 2017-08-15 Logan Marshall s book *The Sinking of the Titanic and Great Sea Disasters* gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate The Titanic as most people know was the biggest ocean liner during her time and was hailed as unsinkable by the company which made it Officially known as the RMS Titanic this mammoth ship can carry more than 2 000 passengers

and owned by British shipping company White Star Line The ship has a double bottomed hull and watertight compartments which make her unsinkable according to her owners But as we all know this claim was proven to be wrong when she sank in the North Atlantic during her maiden voyage Logan Marshall did well to make use of all the resources that were at his disposal Not only was he able to make detailed descriptions of the disaster he was also able to narrate them well from a human point of view without compromising any truth about the biggest sea tragedy of all time This book is a must read for anybody who s deeply interested in the Titanic and its unfortunate end The movie Titanic is now considered as a timeless classic and so is this book If you re a fan of the movie which features Leonardo Di Caprio and Kate Winslet you ll also like reading this book Logan Marshall s book *The Sinking of the Titanic and Great Sea Disasters* gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate
