Jacob's Grace C.P. Rowlands, 2018-09-11 ATF Agent Allison Jacob is temporarily assigned to the Milwaukee Police Special Crimes Division to assist in solving the gruesome murder of a woman known as X Girl. The FBI and the DHS become involved as the investigation widens into human trafficking and AJ and her team must go undercover to solve the murder and stop the exploitation of innocent victims. Captain Tag Becket isn't used to being a rookie. Returning home after ten years in the Army, she takes a position as the newest member of AJ's team. She wants to keep her head down and her past behind her, but her feelings for AJ's second in command, Grace Fields, makes keeping secrets next to impossible. As the task force draws closer to the perpetrators, team members risk their lives and their secrets to see justice prevail. In the Presence of Power Maurice A. Pomerantz, Evelyn Birge Vitz, 2017-12-05 Insights into power, spectacle, and performance in the courts of Middle Eastern rulers. In recent decades, scholars have produced much new research on courtly life in medieval Europe, but studies on imperial and royal courts across the Middle East have received much less attention, particularly for courts before 1500 AD. In the Presence of Power however sheds new light on courtly life across the region. This insightful exploratory collection of essays uncovers surprising commonalities across a broad swath of cultures. The pre-modern period in this volume includes roughly seven centuries, opening with the first dynasty of Islam, the Umayyads, whose reign marked an important watershed for Late Antique culture and closing with the rule of the so-called gunpowder empires of the Ottomans and Safavids over much of the Near East in the sixteenth century. In between, this volume locates similarities across the Western Medieval, Byzantine, and Islamicate courtly cultures, spanning a vast history and geography to demonstrate the important cross-pollinations that occurred between their literary and cultural legacies. This study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which contemporaries experienced and spoke about these places of power and performance. Adopting a very broad view of performances, In the Presence of Power includes exuberant expressions of love in Arabic stories, shadow plays in Mamluk Cairo, Byzantine storytelling, religious food traditions in Christian Cyprus, advice and political and ethnographic performances of power.
