My Sister and Other Lovers Esther Freud, 2025-08-05 A stirring novel from the author of I Couldn t Love You More and Hideous Kinky the story of two sisters who couldn t be more different and the great love that holds them together throughout a tumultuous youth For as long as Lucy can remember she s been caught between love for her rootless mother and devotion to her fierce and exacting sister Bea From their peripatetic childhood to their restless teenage years hitching through rural Ireland the move to a communal house she s been forced to make a choice between these two very different ways of approaching life But as the girls come of age and embark on their own experiments in love drugs work motherhood Bea is at risk of drifting further and further away Can their loyalty to each other transcend the damages of a past that feels almost too dangerous to examine With scalpel sharp insight Esther Freud excavates the most intimate relationships of our lives laying bare the fear and longing the secrets and mistrust My Sister and Other Lovers is an irresistible exploration of love family and freedom in all its forms

Sisters & Lovers Connie Briscoe, 1995 Three Afro American sisters with different lives all reaching crisis point *Disorderly Sisters* Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister BOOK JACKET *To Have and to Hit* Dorothy Ayers

Counts, Judith K. Brown, Jacquelyn Campbell, 1999 This vitally important volume places the problem of wife beating in a broad cultural context in a search for strategies to reform societies including our own that are prone to this pernicious form of violence Based on first hand ethnographic data on more than a dozen societies including a number in Oceania this collection explores the social and cultural factors that work either to inhibit or to promote domestic violence against women The volume also includes a study of abuse among nonhuman primates and a cross cultural analysis of the legal aspects of wife beating By presenting counterexamples from other cultures contributors challenge Western assumptions about the factors

leading to wife beating Through a close examination of societies where wife beating is infrequent or absent To Have and To Hit identifies the factors economic social political and cultural that must be explored and transformed in order to combat this violence and eventually eliminate it The Shadow of the Mammoth Fabio Morábito,2025-09-02 A brilliant unsettling collection of 18 stories about deception translation loneliness and connection from one of Mexico's greatest modern writers Why is grass in airports so important Can you be an extraordinary copyist without knowing how to read or write Are there successful musicians who only play a single note in their life Book after book Fabio Morábito's stories have become increasingly radical in their way of showing us that imagination is not a curious feature of the mind but perhaps the only way to not feel excluded from the real world With prose free of unnecessary explanation and descriptive embellishments The Shadow of the Mammoth insists once again on the guiding principle of Morábito's work playing fair with the reader who advances in reading these stories as he did when writing them open to any direction they could take For this reason these stories are as unexpected as they are different from each other all united by that pleasure of storytelling that has always been Morábito's unmistakable hallmark **THE YOUNGEST SISTER** Anne Weale,2011-07-15 Her Prince Charming Cressy Vale was the youngest in a family of thin glamorous beautiful women Only she wasn't thin or glamorous and only the kindest of souls would ever call her beautiful Which was why Nicolas Talbot's interest in her was so surprising Yet since meeting Cressy he had become a regular knight in shining armor offering her a place to stay and his undivided attention Cressy was half in love with him already But did Nicolas regard Cressy as merely a damsel in distress or his modern day Cinderella Another classic romance from this popular author Current Opinion Edward Jewitt Wheeler, Frank Crane,1911
