LARRY EUGENE RIVERS

Slavery In Florida Territorial Days To Emancipation

Katrin Zwirgmaier

Slavery In Florida Territorial Days To Emancipation:

Slavery in Florida Larry Eugene Rivers, 2009-03-15 This important illustrated social history of slavery tells what life was like for bond servants in Florida from 1821 to 1865 offering new insights from the perspective of both slave and master Starting with an overview of the institution as it evolved during the Spanish and English periods Larry E Rivers looks in detail and in depth at the slave experience noting the characteristics of slavery in the Middle Florida plantation belt the more traditional slave based cotton growing economy and society as distinct from East and West Florida which maintained some attitudes and traditions of Spain He examines the slave family religion resistance activity slaves participation in the Civil War and their social interactions with whites Indians other slaves and masters Rivers also provides a dramatic account of the hundreds of armed free blacks and runaways among the Seminole Creek and Mikasuki Indians on the peninsula whose presence created tensions leading to the great slave rebellion the Second Seminole War 1835-42 Slavery in Florida is built upon painstaking research into virtually every source available on the subject a wealth of historic documents personal papers slave testimonies and census and newspaper reports This serious critical work strikes a balance between the factual and the interpretive It will be significant to all readers interested in slavery the Civil War the African American experience and Florida and southern U S history and it could serve as a comprehensive resource for secondary school teachers and students

Slavery in the South Clayton E. Jewett, John O. Allen, 2004-02-28 Slavery in the United States is once again a topic of contention as politicians and interest groups argue about and explore the possibility of reparations The subject is clearly not exhausted and a state by state approach fills a critical reference niche This book is the first comparative summary of the southern slave states from Colonial times to Reconstruction The history of slavery in each state is a story based on the unique events in that jurisdiction and is a chronicle of the relationships and interactions between its blacks and whites Each state chapter explores the genesis growth and economics of slavery the life of free and enslaved blacks the legal codes that defined the institution and affected both whites and blacks the black experience during the Civil War and the freedmen's struggle during Emancipation and Reconstruction The commonalities and differences can be seen from state to state and students and other interested readers will find fascinating accounts from ex slaves that flesh out the fuller picture of slavery state and country wide Included are timelines per state photos numerous tables for comparison and appendixes on the numbers of slaveholders by state in 1860 dates of admission secession and readmission and economic statistics A bibliography and index complete the volume

Rebels and Runaways Larry E. Rivers, 2012-06-22 This gripping study examines slave resistance and protest in antebellum Florida and its local and national impact from 1821 to 1865 Using a variety of sources such as slaveholders wills and probate records ledgers account books court records oral histories and numerous newspaper accounts Larry Eugene Rivers discusses the historical significance of Florida as a runaway slave haven dating back to the seventeenth century and explains Florida's unique history of slave resistance and protest In moving detail Rivers illustrates what life was

like for enslaved blacks whose families were pulled asunder as they relocated from the Upper South to the Lower South to an untamed place such as Florida and how they fought back any way they could to control small parts of their own lives Against a smoldering backdrop of violence this study analyzes the various degrees of slave resistance from the perspectives of both slave and master and how they differed in various regions of antebellum Florida In particular Rivers demonstrates how the Atlantic world view of some enslaved blacks successfully aided their escape to freedom a path that did not always lead North but sometimes farther South to the Bahama Islands and Caribbean Identifying more commonly known slave rebellions such as the Stono Louisiana Denmark Vesey Gabriel and the Nat Turner insurrections Rivers argues persuasively that the size scope and intensity of black resistance in the Second Seminole War makes it the largest sustained slave insurrection ever to occur in American history Meticulously researched *Rebels and Runaways* offers a detailed account of resistance protest and violence as enslaved blacks fought for freedom

Crafting Constitutions in Florida, 1810-1968 Robert Cassanello, 2025-06-24 This comprehensive volume traces over 200 years of constitutional tradition in Florida examining constitutions drafted in the state from the territorial era to the most recent version from 1968 *A People's History of Florida, 1513-1876* Adam Wasserman, 2010 Howard Zinn author of *A People's History of the United States* predicted that the bottom class perspective of history would eventually gain ground enveloping the old way of narrating history as told by the powerful Since then numerous historical events have been redefined through the outlook of common people that were involved from the bottom up forever altering how we understand history No more romantic diatribes glittered in patriotic myths No more traditional heroes standardized viewpoints unquestionable facts or generalized falsehoods Just plain raw truth that is not afraid to stampede powerful governments with the herd of popular outrage *A People's History of Florida* follows the *People's History* tradition documenting the active involvement of African Americans indigenous people women and poor whites in shaping the Sunshine State's history

Hidden History of Civil War Florida Robert Redd, 2022 At the outset of the Civil War Florida's entire population was only a bit larger than present day Gainesville Still the state played an outsized role in the conflict Floridians fought for the Union and Confederate armies Sunshine State farmers provided beef and other foodstuffs for the Confederacy rations that proved increasingly consequential as the years wore on The battles of Olustee and Natural Bridge where boys from the West Florida Seminary entered the fray helped keep Tallahassee as the only Confederate held capital east of the Mississippi River Even the conspirators involved in Lincoln's assassination wove a trail that led to Florida Publisher marketing

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of

African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

A Forgotten Front Seth A. Weitz, Jonathan C. Sheppard, 2018-06-12 An examination of the understudied yet significant role of Florida and its populace during the Civil War In many respects Florida remains the forgotten state of the Confederacy Journalist Horace Greeley once referred to Florida in the Civil War as the smallest tadpole in the dirty pool of secession Although it was the third state to secede Florida s small population and meager industrial resources made the state of little strategic importance Because it was the site of only one major battle it has with a few exceptions been overlooked within the field of Civil War studies During the Civil War more than fifteen thousand Floridians served the Confederacy a third of which were lost to combat and disease The Union also drew the service of another twelve hundred white Floridians and more than a thousand free blacks and escaped slaves Florida had more than eight thousand miles of coastline to defend and eventually found itself with Confederates holding the interior and Federals occupying the coasts a tenuous state of affairs for all Florida s substantial Hispanic and Catholic populations shaped wartime history in ways unique from many other states Florida also served as a valuable supplier of cattle salt cotton and other items to the blockaded South **A Forgotten Front** Florida during the Civil War Era provides a much needed overview of the Civil War in Florida Editors Seth A Weitz and Jonathan C Sheppard provide insight into a commonly neglected area of Civil War historiography The essays in this volume examine the most significant military engagements and the guerrilla warfare necessitated by the occupied coastline Contributors look at the politics of war beginning with the decade prior to the

outbreak of the war through secession and wartime leadership and examine the period through the lenses of race slavery women religion ethnicity and historical memory

Once Upon a Time in Florida Jacki Levine, 2023-10-24 Florida Book Awards Honorable Mention for Florida Nonfiction Curated from the archives of FORUM the award winning magazine of Florida Humanities this anthology presents 50 often surprising and always intriguing stories of life in Florida by some of the nation's most talented writers and scholars Once Upon a Time in Florida transports readers into the eventful life and times of this remarkable state through 50 stories vividly rendered by some of the nation's most acclaimed writers and scholars along with 150 evocative images This collection opens more than 14,000 years ago with the first people to inhabit the peninsula and continues through the state's territorial beginnings the era of slavery statehood the Civil War Reconstruction the Jim Crow period and Florida's transformation into a complex powerful megastate Throughout readers will encounter the unexpected The myth busting truths behind Ponce de Leon's search for the Fountain of Youth the real First Thanksgiving the first legally sanctioned free Black town the revealing wartime letters of novelist Marjorie Kinnan Rawlings the Jacksonville principal who penned the lyrics now known as the Black National Anthem and the little known story of how Mary McLeod Bethune saved World War II era Daytona Beach The stories also highlight Florida as a magnet for dreamers and doers featuring the heady days of the Space Age seen through the eyes of a teenager the secretive mission that brought Walt Disney to Orlando the music culture that has churned out a stream of Rock and Roll Hall of Famers and a look at how Florida's glossy image has been indelibly shaped through the eyes of Hollywood Told through the lens of the humanities at its heart this anthology is the story of what it means to be a Floridian In these pages folklorist Stetson Kennedy travels the back roads with novelist Zora Neale Hurston capturing vanishing stories and songs Former U S Representative Ileana Ros Lehtinen the first Latina in Congress remembers her family's early days as Cuban refugees Novelist Lauren Groff describes how the writings of literary giants taught her to love Florida Columnist Bill Maxwell and novelist Beverly Coyle who grew up in the waning days of Jim Crow share clear-eyed memories of experiences as different as black and white And southern grit writer Harry Crews tells of a family memory evoked by the Suwannee River There is much more to discover in this vibrant anthology which celebrates the 50th anniversary of Florida Humanities the state affiliate of the National Endowment for the Humanities and presents selections from the timeless and treasure-filled archives of Florida Humanities award winning FORUM magazine
