Slaves Narrative:

The Slave's Narrative Charles T. Davis, Henry Louis Gates Jr., 1991-02-21 These autobiographies of Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 2018-02-05 Narrative of the Life of Frederick Douglass is a memoir on abolition written by Frederick Douglass It is held to be the most famous of a number of narratives written by former slaves during the 19th century In factual detail the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States Frederick Douglass 1818 1895 was an African American social reformer abolitionist orator writer and statesman After escaping from slavery in Maryland he became a national leader of the abolitionist movement in Massachusetts and New York gaining note for his dazzling oratory and incisive antislavery writings

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre s imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron s The Confessions of Nat Turner Toni Morrisons s Beloved and Octavia Butler s provocative science fiction novel Kindred In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

The Cambridge Companion to the African American Slave Narrative Audrey Fisch, 2007-05-31 The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States This Companion examines the slave narrative s relation to British and American abolitionism

Anglo American literary traditions such as autobiography and sentimental literature and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass, and Harriet Jacobs, as well as many other less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception, as well as the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field.

[Narrative of the Life of Frederick Douglass](#)
 Frederick Douglass, 2009-04-15 Presents the autobiography of Douglass, an American slave and his journey out of mental and physical bondage.

Narrative of the Life of an American Slave Frederick Douglass, 2009-07 This volume, the most famous of all slave narratives written by the most towering black figure of the nineteenth century, is both literature and historical analysis. In a well-crafted prose, Douglass provides a true glimpse of the brutal experience of slavery in ante-bellum America. Douglass has left an indispensable legacy for modern-day readers in helping them understand what it's like to be broken in body, soul, and spirit, yet rise above unimaginable adversity to become an outstanding orator.

The Slave Narrative Marion Wilson Starling, 1981

Arkansas Slave Narratives, 2006-06-15 Autobiographical accounts of former slaves compiled in the 1930s by the Federal Writers Project of the Works Progress Administration.

Seven Slave Narratives, Seven Books Including Frederick Douglass, Booker T. Washington, Olaudah Equiano, 2015-10-30 In one volume there are seven slave narratives, compelling, harrowing at times, and beautiful stories of hope in the midst of deep adversity.

- 1 *Narrative of the Life of Frederick Douglass, An American Slave* Frederick Douglass's eloquently written first autobiography was one of the most persuasive forces for emancipation, as well as for the enlistment of black soldiers in the Union army. It is written beautifully, and the story flies past a dazzling and awful account of slavery.
- 2 *My Bondage and My Freedom* This is Frederick Douglass's second autobiography, written ten years after his emancipation, and is unparalleled in its scope of the destructive effects of slavery on both individuals and communities. The power of this book is that it delves into the minds of rational good people who were slave owners and discusses the economic conditions that sanctioned slavery's continued existence.
- 3 *Twelve Years A Slave* This narrative was written by Solomon Northrup, a freeman kidnapped from the North and taken to a work on a plantation in Louisiana, where he lived for 12 years until he was rescued. Violence, sadness, grief, and the treatment of human beings as lower than animals are the themes that run through this famous autobiography.
- 4 *The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African* Olaudah Equiano's interesting story provides an insight into a time and situation that few people survived to record or recall, and those that did survive were rarely literate. For this reason, and so many others, Equiano or Gustavus Vassa, as he was later christened, has a unique story to tell. It is an honest and chilling account of a man born free in Africa and sold into slavery, who spends most of his life on the high seas until he finally acquires freedom. He relates the experiences of black people in its myriad forms on three continents.
- 5 *Incidents in the Life of a Slave Girl*

Girl Seven Years Concealed In the pre civil war period of 1861 Harriet Jacobs was the only black woman in the United States to have authored her own slave narrative in a call to arouse the women of the North to a realizing sense of the condition of two millions of women at the South to convince the people of the Free States what slavery really is Jacobs hoped that should the white women of the North know the true conditions of the slave women of the South they would not fail to answer the call to moral action With the help of a northern abolitionist Jacobs published this astounding poignant record under the pseudonym Linda Brent 6 Up From Slavery An Autobiography Booker T Washington writes his story modestly but his greatness shines through He spent his early childhood as a slave on a plantation in the south but after the Emancipation Proclamation was read from the porch steps of the Big House his ambitions to gain an education and make something of himself propelled him through every obstacle to his goal Booker T Washington was a tireless promoter of education for his race and founded a school for blacks in Alabama He made great strides in elevating the sights and prospects of his people 7 Running A Thousand Miles for Freedom This is a great story of a married couple who were slaves and escaped to freedom in a unique way It is a horrifying account of the evil of slavery and the hope of freedom and human rights A compelling read
