Fighting the Forces David Lavery,Rhonda V. Wilcox,2002-02-25 For every television series the original vision

grows within a press of forces both social and artistic expectations conventions of the business as well as conventions of the art Bad television predictable commercial exploitative simply yields to the forces Good television like the character of Buffy the Vampire Slayer fights them Fighting the Forces explores the struggle to create meaning in an impressive example of popular culture the television series phenomenon Buffy the Vampire Slayer In the essays collected here contributors examine the series using a variety of techniques and viewpoints They analyze the social and cultural issues implicit in the series and place it in its literary context not only by examining its literary influences from German liebestod to Huckleberry Finn but also by exploring the series purposeful literary allusions Furthermore the book explores the extratextual such as fanfiction and online discussion groups The book is additionally supplemented by an online journal Slayage www.slayage.tv created by the book editors in acknowledgement of the ongoing nature of television art Rhonda V Wilcox and David Lavery have written and edited several books and articles exploring the social literary and artistic merit of quality television In addition to Buffy the Vampire Slayer their work has covered a variety of programs including Twin Peaks Northern Exposure The X Files and The Sopranos

Slaying the Mermaid Stephanie Golden,1999 Slaying the Mermaid addresses the great numbers of women of all ages who find themselves constantly disregarding their own well being to put the needs of others first Drawing on the experiences of a diverse array of women Stephanie Golden examines the dichotomy between selfhood and sacrifice enabling women to become conscious of self defeating behavior Using the image of Hans Christian Andersen s Little Mermaid the ultimate ideal of the self sacrificing woman Golden offers a new paradigm in order to run with the wolves you must first slay the mermaid Slaying the Mermaid uncovers the mythic and archetypal roots of the need felt by women to sacrifice their personal potential for the good of others This book will help women reclaim their energy creativity and identity while rediscovering the original empowering meaning of sacrifice as an expansive and self fulfilling act [A Law of Her Own](#) Caroline Forell,Donna Meredith Matthews,2001-05 A proposal to radically change the legal concept of the reasonable man standard in order to better protect women from violence and other injustices [APAIS 1991: Australian public affairs information service](#) ,

The Myth of Muslim Barbarism and Its Aims Salah Eddine Al-Djazairi,2007 In this book S E Al Djazairi complements his substantial works on Islamic Civilisation by detailing the nature of the myth of Muslim Barbarism how it was built through the ages and what forms it takes today He demonstrates the fallacies at the heart of each of its aspects including the charges of intolerance and oppression of women

Race in America Patricia Reid-Merritt,2017-01-23 Focusing on the socially explosive concept of race and how it has affected human interactions this work examines the social and scientific definitions of race the implementation of racialized policies and practices the historical and contemporary manifestations of the use of race in shaping social interactions within U S society and elsewhere and where our notions of race will likely lead More than a decade and a half into the 21st century the term race remains one of the most emotionally charged words in the human language While race can be defined as a local geographic or global

human population distinguished as a more or less distinct group by genetically transmitted physical characteristics the concept of race can better be understood as a socially defined construct a system of human classification that carries tremendous weight yet is complex confusing contradictory controversial and imprecise This collection of essays focuses on the socially explosive concept of race and how it has shaped human interactions across civilization The contributed work examines the social and scientific definitions of race the implementation of racialized policies and practices and the historical and contemporary manifestations of the use of race in shaping social interactions primarily in the United States a nation where the concept of race is further convoluted by the nation s extensive history of miscegenation as well as the continuous flow of immigrant groups from countries whose definitions of race ethnicity and culture remain fluid Readers will gain insights into subjects such as how we as individuals define ourselves through concepts of race how race affects social privilege color blindness as an obstacle to social change legal perspectives on race racialization of the religious experience and how the media perpetuates racial stereotypes
