Slippery Characters Ethnic Impersonators And American Identities:

Slippery Characters Laura Browder, 2003-06-20 In the 1920s black janitor Sylvester Long reinvented himself as Chief Buffalo Child Long Lance and Elizabeth Stern the native born daughter of a German Lutheran and a Welsh Baptist authored the immigrant s narrative I Am a Woman and a Jew in the 1990s Asa Carter George Wallace s former speechwriter produced the fake Cherokee autobiography The Education of Little Tree While striking these examples of what Laura Browder calls ethnic impersonator autobiographies are by no means singular Over the past 150 years a number of American authors have left behind unwanted identities by writing themselves into new ethnicities Significantly notes Browder these ersatz autobiographies have tended to appear at flashpoints in American history in the decades before the Civil War when immigration laws and laws regarding Native Americans were changing in the 1920s and during the civil rights era for example Examining the creation and reception of such works from the 1830s through the 1990s against a background ranging from the abolition movement and Wild West shows to more recent controversies surrounding blackface performance and jazz music Browder uncovers their surprising influence in shaping American notions of identity

Slippery Characters

Laura Browder, 2000 Examining the creation and reception of ethnic impersonator autobiographies from the 1830s through the 1990s Browder uncovers their surprising influence in shaping American notions of identity

Writing Deafness

Christopher Krentz, 2012-09-01 Taking an original approach to American literature Christopher Krentz examines nineteenth century writing from a new angle that of deafness which he shows to have surprising importance in identity formation The rise of deaf education during this period made deaf people much more visible in American society Krentz demonstrates that deaf and hearing authors used writing to explore their similarities and differences trying to work out the invisible boundary analogous to Du Bois s color line that Krentz calls the hearing line Writing Deafness examines previously overlooked literature by deaf authors who turned to writing to find a voice in public discourse and to demonstrate their intelligence and humanity to the majority Hearing authors such as James Fenimore Cooper Lydia Huntley Sigourney Herman Melville and Mark Twain often subtly took on deaf related issues using deafness to define not just deaf others but also themselves as competent and rational helping form a self consciously hearing identity Offering insights for theories of identity physical difference minority writing race and postcolonialism this compelling book makes essential reading for students of American literature and culture deaf studies and disability studies

Indians Playing Indian

Monika Siebert, 2015-02-27 In Indians Playing Indian Monika Siebert explores the appropriation or misappropriation of Native American cultural heritage for political and commercial ends and the innovative ways in which indigenous artists in a range of media have responded to these developments Contemporary indigenous people in North America confront a unique predicament As legal and diplomatic practice in the early twenty first century returns to the recognition of their status as citizens of historic sovereign nations popular culture continues to depict them as cultural minorities on the par with other ethnic Americans This popular

misperception of indigeneity as culture rather than as a historically developed political status sustains the myth of America as a refuge to the world's immigrants and a home to successful multicultural democracies. But it fundamentally misrepresents indigenous people who have experienced a history of colonization rather than a tradition of immigration on the continent. Contemporary indigenous cultural production is caught up in this phenomenon of multicultural misrecognition as well. The current flowering of indigenous literature, cinema, and visual arts is typically taken as evidence that Canada and the United States have successfully broken with their colonial pasts to become thriving nations of many cultures where Native Americans along with other minorities enjoy full freedom to represent their cultural difference.

Real Native Genius Angela Pulley Hudson, 2015-07-16 In the mid 1840s Warner McCary, an ex-slave from Mississippi, claimed a new identity for himself, traveling around the nation as Choctaw performer Okah Tubbee. He soon married Lucy Stanton, a divorced white Mormon woman from New York who likewise claimed to be an Indian and used the name Laah Ceil. Together they embarked on an astounding, sometimes scandalous journey across the United States and Canada, performing as American Indians for sectarian worshippers, theater audiences, and patent medicine seekers. Along the way, they used widespread notions of Indianness to disguise their backgrounds, justify their marriage, and make a living. In doing so, they reflected and shaped popular ideas about what it meant to be an American Indian in the mid-nineteenth century. Weaving together histories of slavery, Mormonism, popular culture, and American medicine, Angela Pulley Hudson offers a fascinating tale of ingenuity, imposture, and identity. While illuminating the complex relationship between race, religion, and gender in nineteenth-century North America, Hudson reveals how the idea of the Indian influenced many of the era's social movements. Through the remarkable lives of Tubbee and Ceil, Hudson uncovers both the complex and fluid nature of antebellum identities and the place of Indianness at the very heart of American culture.

The Great White Way Warren Hoffman, 2020-02-14 Broadway musicals are one of America's most beloved art forms and play to millions of people each year. But what do these shows, which are often thought to be just frothy entertainment, really have to say about our country and who we are as a nation? Now, in a new second edition, *The Great White Way* is the first book to reveal the racial politics, content, and subtexts that have haunted musicals for almost one hundred years, from *Show Boat* (1927) to *Hamilton* (2015). This revised edition includes a new introduction and conclusion, updated chapters, as well as a brand-new chapter that looks at the blockbuster musicals *The Book of Mormon* and *Hamilton*. Musical mirror their time periods and reflect the political and social issues of their day. Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level, allowing them to simultaneously present and hide their racial agendas in plain view of their audiences. While the musical is informed by the cultural contributions of African Americans and Jewish immigrants, Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States. Presented chronologically, *The Great White Way* shows how perceptions of race altered over time and how musicals dealt with those changes. Hoffman focuses first

on shows leading up to and comprising the Golden Age of Broadway 1927 1960s then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century He offers entirely new and surprising takes on shows from the American musical canon Show Boat 1927 Oklahoma 1943 Annie Get Your Gun 1946 The Music Man 1957 West Side Story 1957 A Chorus Line 1975 and 42nd Street 1980 among others In addition to a new chapter on Hamilton and The Book of Mormon this revised edition brings The Great White Way fully into the twenty first century with an examination of jukebox musicals and the role of off Broadway and regional theaters in the development of the American musical New archival research on the creators who produced and wrote these shows including Leonard Bernstein Jerome Robbins Stephen Sondheim and Edward Kleban will have theater fans and scholars rethinking forever how they view this popular American entertainment

Enacting Others Cherise Smith, 2011-03-07 An analysis of the complex engagements with issues of identity in the performances of the artists Adrian Piper Eleanor Antin Anna Deavere Smith and Nikki S Lee

Reading

Slippery Characters Ethnic Impersonators And American Identities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slippery Characters Ethnic Impersonators And American Identities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slippery Characters Ethnic Impersonators And American Identities has opened up a world of possibilities. Downloading Slippery Characters Ethnic Impersonators And American Identities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slippery Characters Ethnic Impersonators And American Identities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slippery Characters Ethnic Impersonators And American Identities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slippery Characters Ethnic Impersonators And American Identities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Slippery Characters Ethnic Impersonators And American Identities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slippery Characters Ethnic Impersonators And American Identities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
