*The Arms of God* Lynne Hinton, 2014-10-14 Alice is making her daughter dinner when her mother Olivia who left her at a day care center when she was four years old appears at her door Although Alice has managed to navigate an unforgiving foster care system to build a good life for herself she has never really recovered from her mother s disappearance Olivia s sudden reappearance is like a quiet unexplained gift Over the next couple of weeks Alice asks Olivia to dinner Olivia is always dropped off by a friend and sits peacefully as Alice and her daughter talk over the meal One afternoon Alice gets a call from the hospital telling her that Olivia is dead The only identification the hospital could find was Alice s number with the word daughter written underneath it She goes to pick up Olivia s things and finds the key to her apartment It is here that the mystery of Olivia s past is slowly uncovered and Alice begins to understand how the power of hatred can hold a woman down and how the power of friendship can lift her up again Not since her bestselling book *The Friendship Cake* has Hinton created characters who are so filled with heartache and fragile hope that they will become a permanent part of the reader s life
