Small Changes Great Results:

Small Changes, Big Results Ellie Krieger, Kelly James-Enger, 2008-06-03 An easy to start simple to maintain scientifically sound and eminently usable twelve week program of small steps on the road to better health Small Changes Big Results is not about cutting all the carbohydrates out of your diet Or replacing every single gram of sugar with omega 3 fatty acids It s not about doing one hundred sit ups a day or getting on the treadmill whenever you have a free second In fact it s not about any of the total lifestyle replacement gimmicks whether diet exercise or pop psychology that have swept our culture in recent years putting untold millions of Americans on the risky roller coaster of success and failure that defines fad diets and programs Not here Small Changes Big Results is about reality the reality of what you can do the reality of what you want to do and the reality of what works It s about introducing a series of small changes each week for three months in the three core areas of diet and nutrition exercise and fitness and emotional wellness For each of the twelve weeks nutritionist Ellie Krieger introduces a very finite completely practical action plan for the week and not only are these tasks incredibly doable they re in fact so accessible that it s tough not to be inspired For example in Week 1 the nutrition task is merely to go shopping buy some healthful pantry items and start keeping track of what you eat the exercise consists of taking three twenty minute walks and the wellness aspect is to do a five minute breathing exercise That s it And it doesn t really get any harder But these small changes do in fact lead to big results At the end of twelve weeks a totally unhealthy diet has been overhauled armed with easy delicious recipes and tips you ve removed unhelpful munchies and replaced them with healthful snacking you ve cut down on lethal trans fats while adding beneficial fat choices you ve replaced refined grains with whole grains you re eating more fish and less red meat and so forth Yet you ve never been forbidden to eat a single thing instead of prohibiting entire food groups Ellie categorizes foods as Usually Sometimes and Rarely and now you should be eating more from the Usually choices less from the Rarely category Furthermore you ve integrated physical activity into your life and you ve developed a set of tools to help you deal with stress you re not only eating better but you re also exercising better and feeling better The beauty of this program is that none of these action steps is remotely intimidating because they re not a full immersion into a totally new lifestyle Instead it s a series of incremental changes removing bad habits one by one while at the same time adding good ones There s nothing to scare you off on the contrary here s a whole book full of small changes that produce big results

Small Changes, Big Results, Revised and Updated Ellie Krieger, Kelly James-Enger, 2013-01-01 From New York Times bestselling author and host of Food Network s Healthy Appetite Ellie Krieger s revised and updated 12 week wellness plan now with 25 new recipes for nutrition packed meals and snacks plus dozens of tips for apps and web sites to help you make the best choices for a healthy body This is an easy to start simple to maintain scientifically sound 12 week program of small steps just three each week such as starting a food journal choosing healthy fats and proteins and replacing refined grains with whole grains Now with 65 recipes this revised edition helps you free yourself of junk food cravings and

replace additive laden fake food with healthy real food for better sleep more stamina and a slimmer waist all while eating delicious food And you won't be forbidden to eat a single thing Krieger also tells you what technology to use for tracking your fitness progress and finding others who share your interests At the end of twelve weeks you will be armed with easy recipes she includes the nutritional breakdown for all of them such as Poached Salmon with Mustard Dill Sauce Whole Grain Rotini with Tuscan Kale Pita Pizzas and numerous easy satisfying meals to get you off the diet rollercoaster and eating healthy so staying fit will be second nature *Small Changes for Big Results* Warren Ingram, Marc Rogatschnig, 2024-04-01
