later works reflect Manet's elegant social world propose a radical new alignment of modern art with fashionable femininity and record the artist's unapologetic embrace of beauty and visual pleasure in the face of death Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists a technical analysis of the late Salon painting *Jeanne Spring* a selection of the artist's correspondence a chronology and more Manet and Modern Beauty brings a diverse range of approaches to bear on a little studied area of this major artist's oeuvre
