## **Small Person Far Away:**

**A Small Person Far Away** Judith Kerr, 2012-06-28 Partly autobiographical this is the third title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war-torn Germany to London during the Blitz and her return to Berlin to discover the past *The Very Small Person* Annie Hamilton Donnell, 1906 *The Holocaust across Borders* Hilene S. Flanzbaum, 2021-06-29 Literature of the Holocaust courses whether taught in high schools or at universities necessarily cover texts from a broad range of international contexts. Instructors are required regardless of their own disciplinary training to become comparatists and discuss all works with equal expertise. This book offers analyses of the ways in which representations of the Holocaust whether in text, film, or material culture are shaped by national context, providing a valuable pedagogical source in terms of both content and methodology. As memory yields to post-memory, nation of origin plays a larger role in each retelling, and the chapters in this book explore this notion covering well-known texts like *Night*, *Hungary*, *Survival in Auschwitz*, *Italy*, *MAUS*, *United States*, *This Way to the Gas*, *Poland*, and *The Reader*, Germany, while also introducing lesser-known representations from countries like Argentina or Australia *Émigré Voices* Bea Lewkowicz, Anthony Grenville, 2021-11-22 In *migr Voices* Lewkowicz and Grenville present twelve oral history interviews with men and women who came to Britain as Jewish refugees from Germany and Austria in the late 1930s. Many of the interviewees rose to great prominence in their chosen career, such as the author and illustrator Judith Kerr, the actor Andrew Sachs, the photographer and cameraman Wolf Suschitzky, the violinist Norbert Brainin, and the publisher Elly Miller. The narratives of the interviewees tell of their common struggles as child or young adult refugees who had to forge new lives in a foreign country and they illuminate how each interviewee dealt with the challenges of forced emigration and the Holocaust. The voices of the twelve interviewees provide the reader with a unique and original source which gives direct access to the lived, multifaceted experience of the interviewees and their contributions to British culture *Questions About Language* Laurie Bauer, Andreea S. Calude, 2020-05-19 *Questions About Language* sets out to answer in a readable yet insightful format a series of vital questions about language, some of which language specialists are regularly asked and some of which are so surprising that only the specialists think about them. In this handy guide, sixteen language experts answer challenging questions about language from 'What makes a language a language?' to 'Do people swear because they don't know enough words?' Illustrating the complexity of human language and the way in which we use it, the twelve chapters each end with a section on further reading for anyone interested in following up on the topic. Covering core questions about language, this is essential reading for both students new to language and linguistics and the interested general reader **Far Away From You** Liz Levoy, 2023-09-19 Elisabeth From the moment he walked in to my coffee shop, I was hooked. I thought this was the man that I'd been looking for my whole life. Our romance was like a dream come true until he vanished from my life and started turning up on the radio and TV instead.
