without blowing the budget **Verified Software: Theories, Tools, Experiments** Bertrand Meyer, James Woodcock, 2008-07-07 A Step Towards Verified Software Worries about the reliability of software are as old as software itself techniques for allaying these worries predate even James King s 1969 thesis on A program verifier What gives the whole topic a new urgency is the conjunction of three phenomena the blitz like spread of software rich systems to control ever more facets of our world and our lives our growing impatience with deficiencies and the development proceeding more slowly alas than the other two trends of techniques to ensure and verify software quality In 2002 Tony Hoare one of the most distinguished contributors to these advances over the past four decades came to the conclusion that piecemeal efforts are no longer sufficient and proposed a Grand Challenge intended to achieve over 15 years the production of a verifying compiler a tool that while processing programs would also guarantee their adherence to specified properties of correctness robustness safety security and other desirable properties As Hoare sees it this endeavor is not a mere research project as might normally be carried out by one team or a small consortium of teams but a momentous endeavor comparable in its scope to the successful mission to send a man to the moon or to the sequencing of the human genome **Romeo Blue** Phoebe Stone, 2013-05-28 The eagerly anticipated follow up to Phoebe Stone s instant classic The Romeo and Juliet Code When Flissy Bathburn s parents first dropped her off in Bottlebay Maine she hated everything about it She hated the big gloomy house she was to live in She hated meeting her long lost and highly eccentric relatives And most of all she hated knowing that she was safe in America while her parents faced the guns of WWII in Europe But a year has passed now and Flissy has grown to love her life in Bottlebay and especially Derek the boy the Bathburns have adopted Then a man claiming to be Derek s true father arrives and soon he s asking all sorts of strange questions Flissy has a nose for trouble Has Derek s new father come to take him away or is there something even more sinister happening in Bottlebay Maine *New England Florist* ,1898
