Sins Secrets Success:

The Secret Success of Marriage BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

A physiological view of marriage, with observations on the secret sin Robert David Lalor,1860

The Secret of Success P. Larry Rogers,2024-01-11 This is my first book in the Secret series The Secret of Success is the proposition that real peace and happiness result when the whole person has physical social financial and spiritual success You develop all those qualities to achieve real success Your whole life is full of mental peace and happiness when your whole person becomes greater than the sum of its parts Real success is not an accomplishment in just one area but proficiency in all four Our education system provides instruction for the whole curriculum of life If you are good at math but cannot speak with proper grammar your success will be soiled An entertainer like Elvis Presley may sell two hundred million records and have two hundred million friends but be broke and alone with a drug and spending addiction The ordinary person focuses on the parts of life they are trying to receive while the successful person focuses on the whole life they are trying to accomplish The second book in the series is The Secret of Money Beating Inflation in the 21st Century It would be a nice complement to this one

"Original Sin"? Kumar Ramakrishna,2015-02-17 Revisionist or alternative historians have increasingly questioned elements of the Singapore Story the master narrative of the nation s political and socioeconomic development since its founding by the British in 1819 Much criticism focuses especially on one defining episode of the Story the internal security dragnet mounted on 2 February 1963 against Communist United Front elements on the island known to posterity as Operation Coldstore The revisionists claim that Coldstore was mounted for political rather than security reasons and actually destroyed a legitimate Progressive Left opposition personalized by the charismatic figure of Lim Chin Siong rather than a dangerous Communist network as the conventional wisdom holds Relying on both declassified and some previously unseen classified sources this book challenges revisionist claims reiterating the historic importance of Coldstore in helping pave the way for Singapore s remarkable journey from Third World status to First in a single generation
