Ferguson, Lian Goodall, 2013-12-16 Presenting nine titles in the Quest Biography series that profiles prominent figures in Canada's history. In these books we explore Canada's rich political history through the fascinating lives of some of its most influential lives. Profiled are prime ministers John Diefenbaker, John A. Macdonald, William Lyon Mackenzie King, and Wilfrid Laurier; suffragette Nellie McClung; and provincial leaders Joey Smallwood, Maurice Duplessis, René Lévesque, and James Douglas. Includes James Douglas, Joey Smallwood, John A. Macdonald, John Diefenbaker, Maurice Duplessis, Nellie McClung, René Lévesque, Wilfrid Laurier, William Lyon Mackenzie King. **Laurier in Love** Roy MacSkimming, 2010-08-21 From the author of *Macdonald* comes a new novel about an extraordinary love triangle set at the apex of Canada's national life at the dawn of the twentieth century. A deeply absorbing novel of passion and politics, *Laurier in Love* reveals a side of Sir Wilfrid Laurier as Canadians have never known him: romantic and idealistic, inspiring and seductive yet conflicted and compromised as he balances his time between his wife and his mistress. Elegant, silver-tongued, Sir Wilfrid Laurier is just beginning his fabled career as one of the nation's greatest leaders. Some Canadians revile him simply because he is French Canadian and Roman Catholic, the first Prime Minister from Quebec. Keenly aware of the difficulties lying ahead, Laurier tells his devoted wife Zoé Laurier how much he needs her. At the same time, he assures his ambitious literary lover, Milie Lavergne, that she too is indispensable to him. Through the eyes of these two fascinating women, we see Laurier: the orator charming Americans in Chicago; Laurier, the statesman starring at Queen Victoria's diamond jubilee celebrations in London; Laurier, the conciliator walking the perilous line between demands of English and French as Canada fights her first foreign war in distant South Africa. The cast of characters includes the aging monarch, the doomed President McKinley, a young Winston Churchill, an even younger Mackenzie King. Both epic and intimate in scale, *Laurier in Love* gives readers the authentic sense of the man, the era, the politics, and the complex personal life Laurier led behind the scenes.

Queen's Quarterly, 1919 U. S. Route 2 -Canada Too! Robert Mac Kinnon, 2014-01-17 Another time across the New Jersey Turnpike, but this time it's different. It's the beginning of a full cross trip and high time as a matter of fact, and sad to say it's well past the time I should have gone. Way back when we were both working, my wife and I followed this same route across the country a section at a time. It took years. One time so far. Next time pick it up from where we left off and again go just so far. Section by section, vacation by vacation, trip after trip, and after each I would write about what we found and research for the next trip. And with respect to 9/11 and Katrina, they have virtually no part in any of this simply because they came later. The original plan was to have the two of us make this trip after retirement. Her health wasn't up to it. Last year, after fifty-one years of marriage, she died. Her name was Theresa Terry to those of us who loved her. Our family grief is and will remain private. So that's the last word you will see on this sad event. Now at age 77, I'm by myself and off to complete the whole route of the trip. Rise to Greatness, Volume 2: Dominion (1867-1949) Conrad Black, 2017-04-04 Sweeping, ambitious, and

revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada s role in the world taking on sweeping themes and vividly recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today Sir Wilfrid Laurier Peter McArthur,2020-08-06 Reproduction of the original Sir Wilfrid Laurier by Peter McArthur

Painful Choices David A. Welch,2011-06-27 Under what conditions should we expect states to do things radically differently all of a sudden In this book David Welch seeks to answer this question constructing a theory of foreign policy change inspired by organization theory cognitive and motivational psychology and prospect theory He then test drives the theory in a series of comparative case studies in the security and trade domains Argentina s decision to go to war over the Falklands Malvinas vs Japan s endless patience with diplomacy in its conflict with Russia over the Northern Territories America s decision to commit large scale military force to Vietnam vs its ultimate decision to withdraw and Canada s two abortive flirtations with free trade with the United States in 1911 and 1948 vs its embrace of free trade in the late 1980s Painful Choices has three main objectives to determine whether the general theory project in the field of international relations can be redeemed given disappointment with previous attempts to reflect on what this reveals about the possibilities and limits of general theory and to inform policy Welch argues that earlier efforts at general theory erred by aiming to explain state behavior which is an intractable problem Instead since inertia is the default expectation in international politics all we need do is to explain changes in behavior Painful Choices shows that this is a tractable problem with clear implications for intelligence analysts and negotiators **Canada** W.
