By the Breath of Their Mouths Mary Jo Bona, 2012-02-01 In *By the Breath of Their Mouths* Mary Jo Bona examines the oral uses of language and the liberating power of speech in Italian American writing as well as its influences on generations of assimilated Italian American writers. Probing and wide ranging Bona's analysis reveals the lasting importance of storytelling and folk narrative, their impact on ethnic working class and women's literatures and their importance in shaping multiethnic literature. Drawing on a wide range of material from several genres including oral biographies, fiction, film, poetry and memoir and grounded in recent theories of narrative and autobiography, postcolonial theory and critical multiculturalism *By the Breath of Their Mouths* is must reading for students in Italian American studies in particular and ethnic studies and multiethnic literature more generally.

Multiethnic Literature and Canon Debates Mary Jo Bona, Irma Maini, 2012-02-16 This groundbreaking collection reinvigorates the debate over the inclusion of multiethnic literature in the American literary canon. While multiethnic literature has earned a place in the curriculum on many large campuses it is still a controversial topic at many others as recent campus and corporate revivals of *The Great Books* attest. Many still perceive multiethnic literature as being governed by ideological and political issues perpetuating a false distinction between highbrow literary texts and multiethnic works. Through historical overviews and textual analyses the contributors not only argue for the aesthetic validity of multiethnic literature but also examine the innovative ways in which multiethnic literature is taught and critiqued. The following questions are also addressed: Who and what determines literary value? What role do scholars, students, the reading public, book awards and or publishers play in affirming literary value? Taken together these essays underscore the necessity for maintaining vibrant conversations about the place of multiethnic literature both inside and outside the academy.
