Waggoner,1888      *Home in British Working-Class Fiction* Nicola Wilson,2016-03-09 Home in British Working Class Fiction offers a fresh take on British working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen As Nicola Wilson shows the history of the British working classes has often been written from the outside with observers looking into the world of the inhabitants Here Wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background Her book explores the depiction of home as a key emotional and material site in working class writing from the Edwardian period through to the early 1990s Wilson presents new readings of classic texts including *The Ragged Trousered Philanthropists* *Love on the Dole* and *Saturday Night and Sunday Morning* analyzing them alongside works by authors including James Hanley Walter Brierley Lewis Grassie Gibbon Buchi Emecheta Pat Barker James Kelman and the rediscovered ex mill girl novelist Ethel Carnie Holdsworth Wilson s broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home s role in the making and expression of class feeling and identity      **Bulletin of the Buten Museum of Wedgwood** ,1958      Henry VIII Clayton Drees,2022-04-15 Henry VIII was one of the most volatile and unpredictable monarchs in English history Despite his famously explosive temper his overbearing bluster and his appalling disregard for human life he also proved himself at times to be a caring husband a loyal friend a compassionate ruler and a pious believer as well Henry VIII A Reference Guide to His Life and Work captures his eventful life his works and his legacy It features a chronology an introduction a comprehensive bibliography and the dictionary section lists entries on all the locales events and personalities associated with King Henry from the years before his birth through the nearly 38 years of his reign to the subsequent r gimes of his three royal children and successors      *Remember Muckadilla* David Bowden,2012 Muckadilla Township is on the Warrego Highway about 40 kilometers from Roma in South Western Queensland We trust that the insight given by many will benefit Present and Future Generations who appreciate the Characters who came to open up Mount Abundance Properties Build the Railway School and Businesses Then enjoy each others company at Sporting Events Barry Mc Mullen used to say Muckadilla Country is good enough to fatten a crowbar We hope there will always be people who say with a chuckle I ve been to Muckadilla have you House Beautiful ,1928
