Sexual Violence Against Children in Britain Since 1965 Nick Basannavar, 2021-11-30 This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965 It explores the representational trail of the Moors murders and subsequent trial of 1966 the emergence of age of consent abolitionism in the 1970s Cleveland s child sexual abuse crisis of 1987 8 and 2010 and 20s contemplations on the Jimmy Savile scandal Harnessing research into popular media forms and a huge range of personal political and professional records Nick Basannavar carefully parses and illustrates the ways in which journalists medical workers politicians lobbyists and other groups assembled and animated their narratives revealing complex rhetorical and emotional processes This book challenges problematic conceptual dichotomies such as silence noise or ignorance knowledge It shows instead that although categories such as child sexual abuse and paedophilia may be relatively recent linguistic value constructs sexual violence against children has existed and been represented across historical moments in changeable and challenging ways *The Medicine of Peace* Jeffrey Paul Ansloos, 2017-06-27T00:00:00Z In *The Medicine of Peace* Jeffrey Ansloos explores the complex intersections of colonial violence the current status of Indigenous youth in Canada in regards to violence and the possibilities

of critical Indigenous psychologies of nonviolence Indigenous youth are disproportionately at risk for violent victimization and incarceration within the justice system They are also marginalized and oppressed within our systems of academia mental health and social work By linking the contemporary experiences of Indigenous youth with broader contexts of intergenerational colonial violence in Canadian society and history Ansloos highlights the colonial nature of current approaches to Indigenous youth care Using a critical Indigenous discourse to critique deconstruct and de legitimize the hegemony of Western social science Ansloos advances an Indigenous peace psychology to promote the revitalization of Indigenous identity for these youth *Health-Harming Legal Needs* Rami Shoucri, Jennifer Stone, 2025-09-23 *Health Harming Legal Needs* equips primary health care professionals with the tools to recognize and respond to legal issues that are injurious to health particularly among low income patients Co developed by medical and legal experts this book advances health equity through the integration of legal support into clinical care Utilizing a practical case based approach it helps clinicians identify when legal issues such as eviction denial of social benefits immigration status family breakdown discrimination at work or criminal legal system involvement may be undermining their patients health It also focuses on several patient populations with unique legal needs including pediatric patients people living with HIV Indigenous peoples and people living with intellectual or developmental disabilities It demystifies the legal systems that patients interact with and builds clinician confidence in navigating and leveraging community legal support Central to the book is the introduction of Health and Justice Partnerships a flexible collaborative model that brings legal and health professionals together to address the root causes of poor health By fostering shared understanding and joint dialogue across sectors the text shows how meaningful legal health collaboration can enhance patient care reduce provider burnout and promote equity and access to justice Through real world examples and actionable guidance the book underscores that legal support can make a decisive difference in moments that feel hopeless for both patients and care teams It ultimately encourages clinicians to see legal advocacy as part of a holistic approach to care and offers a road map for integrating this perspective into their practice

White Benevolence Amanda Gebhard, Sheelah McLean, Verna St. Denis, 2022-05-28T00:00:00Z When working with Indigenous people the helping professions education social work health care and justice reinforce the colonial lie that Indigenous people need saving In *White Benevolence* leading anti racism scholars reveal the ways in which white settlers working in these institutions shape defend and uphold institutional racism even while professing to support Indigenous people White supremacy shows up in the everyday behaviours language and assumptions of white professionals who reproduce myths of Indigenous inferiority and deficit making it clear that institutional racism encompasses not only high level policies and laws but also the collective enactment by people within these institutions In this uncompromising and essential collection the authors argue that white settler social workers educators health care practitioners and criminal justice workers have a responsibility to understand the colonial history of their professions and their complicity in ongoing

violence be it over policing school push out child apprehension or denial of health care The answer isn't cultural awareness training What's needed is radical anti racism solidarity and a relinquishing of the power of white supremacy

Approaches to Cognition through Text and Discourse Tuija Virtanen, 2011-05-03 The purpose of this book is to explore the overlapping area of study that discourse linguists and cognitive linguists are interested in In doing so the volume contributes to bridging the gap between these two large groups of linguists who share an interest in discourse processing but approach the area from very different perspectives and frames of reference The starting point of this volume is text and discourse The book includes an overview section and a number of carefully selected contributions which highlight central issues in the study of text and discourse attempting to give them cognitive explanations In responding to the current interest in the area of discourse and cognition the volume has adopted a wide scope which allows its individual chapters to focus on textual and situational contexts as well as the context of culture and society at large The volume also provides its readership with a useful selection of methods used in the studies which form the basis of its chapters The contributions all by established linguists with highest qualifications present new findings which have important theoretical implications They offer unique and fresh analyses of central discourse phenomena in cognitive light and revealing discussions of the avenues opened to us at this stage of the development of the study of discourse and cognition This accessible research volume will be essential reading for scholars and advanced students of linguistics and languages

British Children's Cinema Noel Brown, 2016-12-22 British children's films have played a part in the childhoods of generations of young people around the world for over a century Until now however their cherished status has remained largely unexplored In this book Noel Brown relates the history of children's cinema in Britain from the early years of commercial cinema to the present day to reveal the reasons behind its acclaim in international popular culture Drawing on multiple sources Brown provides in depth analysis of a range of iconic films including *The Railway Children* *The Thief of Bagdad* *Bugsy Malone* the Harry Potter films *Mary Poppins* *Nanny McPhee* *Paddington* *Oliver* and Aardman's *Wallace and Gromit* series Furthermore he investigates industrial and commercial contexts such as the role of the Children's Film Foundation and includes revealing insights on changing social and cultural norms such as the once sacred tradition of Saturday morning cinema Brown challenges common prejudices that children's films are inherently shallow or simplistic revealing the often complex strategies that underpin their enduring appeal to audiences of all ages and backgrounds In

addition he shows how the films allow a privileged access to historic cultures and the nation's political past In doing so Brown firmly establishes children's cinema as an important genre not only for students and scholars of film studies but also for those interested in socio cultural history the production and reception of popular entertainment and anyone looking for entertainment escapism and nostalgia **The Tragedy of Child Care in America** Edward Zigler, Katherine W.

Marsland, Heather Lord, 2009-01-01 Why the United States has failed to establish a comprehensive high quality child care program is the question at the center of this book Edward Zigler has been intimately involved in this issue since the 1970s and here he presents a firsthand history of the policy making and politics surrounding this important debate Good quality child care supports cognitive social and emotional development school readiness and academic achievement This book examines the history of child care policy since 1969 including the inside story of America's one great attempt to create a comprehensive system of child care its failure and the lack of subsequent progress Identifying specific issues that persist today Zigler and his coauthors conclude with an agenda designed to lead us successfully toward quality care for America's children
