Slanted News A Case Study Of The Nixon:

A Companion to Richard M. Nixon Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Richard Nixon Hal Bochin, 1990-01-19 Although much has been written about Richard Nixon the man and the politician comparatively little attention has been paid to Nixon the public speaker This is unfortunate because it was through public speaking that Nixon an introverted private man first captured public attention won a seat in the House of Representatives advanced to the Senate held on to his vice presidential nomination lost and won the presidency and eventually molded a constituency that carried him to one of the most overwhelming presidential election victories in American history It was also through public speaking that President Nixon attempted to defend himself against charges related to the Watergate incident and sought to save himself from impeachment When his rhetorical efforts failed to rouse popular support he had no choice but to resign This volume examines the combination of personal characteristics and artistic choices that made Richard M Nixon a successful albeit extremely controversial public speaker from 1946 to the present Based on Nixon s own writings primary materials found in special collections a number of rhetorical studies by communication scholars and historical case studies the most complete picture yet of Nixon as a rhetorical strategist emerges The study of Nixon s rhetoric is the study of many important issues from the alleged threat of subversive communism to Vietnam to Watergate confronting America from 1946 to 1974 It is also the study of the man himself because Nixon took an active role in the composition of all his important addresses That both the highs and lows of Richard Nixon s career were marked by public address makes the rhetoric of Richard Nixon a worthy subject for anyone interested in political science history or communication and persuasion

Eisenhower in War and Peace Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America s thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike s maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is

comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will *Slanted News; a Case Study of the Nixon and Stevenson Fund Stories* Arthur Edward Rowse,1957 **Truman and the Democratic Party** Sean J. Savage,2021-12-14 What best defines a Democrat in the American political arena idealistic reformer or pragmatic politician Harry Truman adopted both roles and in so doing defined the nature of his presidency Truman and the Democratic Party is the first book to deal exclusively with the president's relationship with the Democratic party and his status as party leader Sean J Savage addresses Truman's twin roles of party regular and liberal reformer examining the tension that arose from this duality and the consequences of that tension for Truman's political career Truman saw the Democratic party change during his lifetime from a rural dominated minority party often lacking a unifying agenda to an urban dominated majority party with strong liberal policy objectives A seasoned politician who valued party loyalty and recognized the value of political patronage Truman was also attracted to a liberal ideology that threatened party unity by alienating southern Democrats By the time he succeeded Franklin Roosevelt the diversity of opinions and demands among party members led Truman to alternate between two personas the reformer committed to liberal policy goal civil rights national health insurance federal aid to education and the party regular who sought greater harmony among fellow Democrats Drawing on personal interview with former Truman administration members and party officials and on archival materials most notably papers of the Democratic National Committee at the Harry S Truman Library Savage has produced a fresh perspective that is both shrewd and insightful This book offers historians and political scientists a new way of looking at the Truman administration and its impact on key public policies *The Stevensons* Jean H. Baker,1997-06

Presents a portrait of four generations of the Stevenson family in America from the first Scotch Irish immigrants to the life and career of the noted liberal politician Adlai Stevenson *Literature of Journalism* Price,Price, Warron C Price,1959

Just Plain Dick Kevin Mattson,2012-09-18 It all started with some businessmen bankrolling Richard Nixon to become a salesman against socialization But in this precursor to current campaign finance scandals Nixon had some explaining to do to keep his place on Dwight Eisenhower s Republican ticket so he took to the airwaves The Checkers speech saved and bolstered Nixon s political career and set the tone for the 1952 campaign Just Plain Dick is political history and more It s the story of a young man nearing a nervous breakdown and staging a political comeback While the narrative focuses tightly almost cinematically on the 1952 election cycle from the spring primary season to the summer conventions then to the allegations against Nixon through to the speech in September and finally the election in November Mattson also provides a broad stroke depiction of American politics and culture during the Cold War **Slanted News. A Case Study of the Nixon and Stevenson Fund Stories, Etc. [With Facsimiles.].** Arthur Edward ROWSE,1959 The Gateway to History Allan Nevins,2018-10-24 In this book originally published in 1962 one of America s most distinguished historians defines the scope and variety fo his field and out lines his views on history s objectives both as a science and as an art The book provides insight into historians methods of interpreting and presenting the past from Thucydides to twentieth century scholarship on Europe and America It sets apart the different approaches to history biographical cultural intellectual geographical and political illuminating the peculiar goals problems and development of each discipline It discusses the question of pre history and its companion science archaeology and spans the history of the collection and use of records
