Small Worlds A Novel

Warren F. Motte

Small Worlds A Novel:

Small World, a novel Timothy M. Block, 2025-06-24 What would you do if your spouse and daughter had an illness with no cure For Tom Small a professor and researcher at a Philadelphia medical school the answer is anything it takes Tom believes a discovery he made with a Nobel Prize winning scientist at Oxford could hold the key to a cure But turning this discovery into treatment requires millions of dollars and that means navigating the unfamiliar and sometimes hostile worlds of venture capital and pharmaceutical companies Raised in a working class family and haunted by self doubt since boyhood Tom s journey is one of resilience As a troubled youth during the Vietnam War era he was a hopeless truant and trouble maker and was nearly expelled from middle school until a surprise aptitude test score propelled him to college at 14 Now his own insecurities and phobias are dwarfed by his determination to save his family This novel based loosely on a true story blends the charm and wit of Tom Sawyer and My Family and Other Animals with the profound urgency of Lorenzo s Oil With humor heart and plenty of candid self reflection Small World follows a young family forced to confront challenges they never imagined pushing themselves to the limits in their quest for a cure

Small Worlds Allen Hoffman, 1996-10 The encounters prove to be comic sober and wise as arson adultery romance seduction and violence sweep through Krimsk and into the Polish town of Krimichak across the river

Small Worlds Warren F. Motte, 1999-01-01 Small Worlds examines the minimalist trend in French writing from the early 1980s to the present Warren Motte first considers the practice of minimalist in other media such as the plastic arts and music and then proposes a theoretical model of minimalist literature Subsequent chapters are devoted to the work of a variety of contemporary French writers and a diversity of literary genres In his discussion of minimalism Motte considers smallness and simplicity a reduction of means and the resulting amplification of effect immediacy directness clarity repetition symmetry and playfulness He argues that economy of expression offers writers a way of renovating traditional literary forms and allows them to represent human experience more directly Motte provides close readings of novels by distinguished contemporary French writers including Edmond Jabes Annie Ernaux Herve Guibert Marie Redonnet Jean Echenoz Olivier Targowla and Emmanuele Bernheim demonstrating that however diverse their work may otherwise be they have all exploited the principle of formal economy in their writing Warren Motte is a professor of French at the University of Colorado Boulder Playtexts Ludics in Contemporary Literature Nebraska 1995 is his most recent book

The British and Irish Novel Since 1960 James Acheson, 1991-09-03 The essays in this collection survey the work of some of the most important British and Irish novelists of today They not only consider afresh the work of novelists who established their reputations before 1960 such as Doris Lessing and William Golding they also discuss the work of more recent novelists among them Kazuo Ishiguro Angela Carter and Graham Swift The contributors are drawn from various parts of the English speaking world and provide a variety of original perspectives on the novelists concerned

Novels in the Time of Democratic Writing Nancy Armstrong, Leonard Tennenhouse, 2018-01-19 In the decades after U S independence

American novelists carried on an argument that pitted direct democracy against the representative liberalism they attributed to their British counterparts. The result was an American novel distinguished by its use of narrative tropes that generated a social system resembling today's distributed network. **Small Worlds, Global Lives** Russell King, John Connell, 1999-10-01

Geologists most from Australia and Britain but with some outliers from continental Europe and North America focus on small islands where the scarcity of people and resources make migration substantially important socially and economically. The topics include the Azores historical cultural and literary perspectives on emigration from the minor islands of Ireland Nevis and the post war labor movement in Britain islands and the migration experience in the fiction of Jamaica Kincaid from dystopia to utopia on Norfolk Island Tongans online the changing contours of migrant Samoan kinship and finding a retirement place in sunny Corfu. *The Warned World: A Novel* George Casillas, 2023-06-28 Tom and Jarvis are two brothers trying to survive a post apocalyptic world ravaged by the effects of global warming. Treading through harsh ceaseless winds unbearable heat and a sunless haze of a world Tom and Jarvis are captured by The Angels a branch of new world order police officers and taken back to their camp experiencing the horrors of a government trying to survive off of the remnants of America's former systems. *The Campus Novel*, 2019-01-04 The Campus Novel Regional or Global presents innovative scholarship in the field of academic fiction. Whereas the campus novel is traditionally considered a product of the Anglo American world the present study opens a new perspective it elucidates the intercultural exchange between the well established Western canon of British and American academic fiction and its more recent regional response outside the Anglo American territory. **Big League Dreams (Small Worlds)** Allen Hoffman, 2011-06-21 Big League Dreams finds the Krimsk Rebbe and many of his flock in Saint Louis on a Saturday the Sabbath in the summer of 1920. In Saint Louis it is the summer of 1920 and the day is the Sabbath but there is little rest for the Jews from Krimsk and less reverence for the wondrous Krimsker Rebbe who led them to the New World seventeen years before. The rebbe's former hasidim have embraced America to discover that the vision of gold in the streets evokes larceny in the heart. Matti Sternweiss the ungainly studious child wonder in Krimsk now the cerebral catcher for the St Louis Browns is scheming to fix Saturday's game against the pennant contending Detroit Tigers. It is an American Sabbath. Prohibition bookies the criminal syndicate the Hiberian fellowship of the police brass hometown blondes a bootlegging rabbi and big league baseball. It is also Krimsk in America. Boruch Levi the successful junkman confiscates his zany crippled brother in law Barasch's sizable bets. Barasch's lusty wife Malka has her own connubial reasons for wanting to stop the gambling. The chief of police fatefully inspires his loyal disciple Boruch Levi to bring Matti before the Krimsker Rebbe on the Sabbath in order to preserve the purity of the national pastime. Recluse and wonder worker messianist and pragmatist the Krimsker Rebbe navigates the muddy Mississippi River haunted by a recurring prophetic vision of Pharaoh's blood red Nile. In the final decisive innings with Matti crouched behind home plate it will come down to Ty Cobb versus the kabbalah. Richly imagined populated with robust complex characters Big

League Dreams is a profoundly original inspiring and comic creation It is the second volume in the series Small Worlds which follows the people of Krinsk and their descendants in America Russia Poland and Israel In each volume Allen Hoffman draws on his deep knowledge of Jewish religion and history to evoke the finite yet infinite small worlds his characters inhabit

The Small World Pasquale De Marco, In The Small World we embark on a captivating journey into the hidden realm of the shrinking world where size is relative and the smallest objects possess the greatest significance Discover a world where tiny beings build intricate cities extraordinary heroes overcome seemingly insurmountable obstacles and the boundaries of reality blur Explore the practical applications of shrinking from space travel to medical advancements and contemplate the ethical implications of manipulating the size of living beings Delve into the philosophical implications of a shrinking world pondering the nature of reality the limits of knowledge and the power of imagination Question our place in the universe and consider the possibility of a future where humans can manipulate their own size at will Throughout this extraordinary voyage encounter a cast of fascinating characters each with their own unique perspective on the shrinking world Learn from their experiences their triumphs and their failures as we seek to understand the profound implications of a world that is both smaller and more vast than we ever imagined The Small World is an exploration of the hidden wonders and challenges of a world that exists beyond our perception It is a book that will captivate your imagination challenge your assumptions and leave you pondering the mysteries of existence long after you finish reading Join us on this mind bending journey into the realm of the shrinking world where the smallest wonders can hold the greatest secrets If you like this book write a review

The Dialogic Novels of Malcolm Bradbury and David Lodge Robert A. Morace, 1989 Discusses the overlooked works of Bradbury and Lodge in terms of their critical reception Bakhtin's theory of the dialogical novel and their relation to British literature and contemporary literature in general Annotation copyright Book News Inc Portland Or Books and Beyond Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction LGBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of

general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues On Literary Worlds Eric Hayot, 2012-11-29 On Literary Worlds develops new strategies and perspectives for understanding aesthetic worlds

Volume 12, Tome IV: Kierkegaard's Influence on Literature, Criticism and Art Jon Stewart, 2016-12-05 While Kierkegaard is primarily known as a philosopher or religious thinker his writings have also been used extensively by literary writers critics and artists This use can be traced in the work of major cultural figures not just in Denmark and Scandinavia but also in the wider world They have been attracted to his creative mixing of genres his complex use of pseudonyms his rhetoric and literary style and his rich images parables and allegories The present volume documents this influence in the different language groups and traditions Tome IV examines Kierkegaard's surprisingly extensive influence in the Anglophone world of literature and art particularly in the United States His thought appears in the work of the novelists Walker Percy James Baldwin Flannery O'Connor William Styron Don DeLillo and Louise Erdrich He has also been used by the famous American literary critics George Steiner and Harold Bloom The American composer Samuel Barber made use of Kierkegaard in his musical works Kierkegaard has also exercised an influence on British and Irish letters W H Auden sought in Kierkegaard ideas for his poetic works and the contemporary English novelist David Lodge has written a novel *Therapy* in which Kierkegaard plays an important role Cryptic traces of Kierkegaard can also be found in the work of the famous Irish writer James Joyce **Postwar Academic Fiction** K. Womack, 2001-12-17 As a literary genre academic fiction has emerged in recent years as one of the most popular modes for satirizing the cultural conflicts and sociological nuances inherent in campus life Drawing upon recent insights in ethical criticism and moral philosophy *Postwar Academic Fiction* Satire Ethics Community offers new readings of fictional and nonfictional works by such figures as Kingsley Amis Vladimir Nabokov Joyce Carol Oates David Lodge David Mamet Ishmael Reed Sandra M Gilbert and Susan Gubar and Jane Smiley *The Rise of the Graphic Novel* Alexander Dunst, 2023-07-20 Using digital methods this book traces the emergence of the graphic novel at the intersection of popular and literary culture Fate and Freedom in the Novels of David Adams Richards Sara MacDonald, Barry Craig, 2017-05-04 This book explores the understanding of freedom developed in the later novels of celebrated Canadian author David Adams Richards Many reviewers highlight two interconnected features in Richards' novels a seemingly rigid determinism of setting and sociodemographics and a resulting hopelessness In contrast Richards describes

the quest of human life and the purpose of his novels as a search for freedom This book explores the account of freedom that is developed through the course of four of Richards s works *The Friends of Meager Fortune* *Mercy Among the Children* *The Lost Highway* and *Crimes Against My Brother* Following the Augustinian thread that informs Richards s writing we argue that rather than presenting an understanding of human life that is bleak or hopeless Richards instead reveals an argument wherein one s happiness and freedom is found in the midst of love

History and National Ideology in Greek Postmodernist Fiction Gerasimus Katsan,2013-04-04 History and National Ideology in Greek Postmodernist Fiction investigates the ways postmodernist literary techniques have been adopted by Greek authors Taking into consideration the global impetus of postmodernism the book examines its local implications Framed by a discussion of major postmodernist thinkers the book argues for the ability of local cultures to retain their uniqueness in the face of globalization while at the same time adapting to the new global situation The combination of external global influences and the specific internal concerns of Greek national literature makes the emergence of postmodernism in Greece distinctive from that of other national contexts The book engages in larger theoretical debates about the crisis of national identity in the context of postmodern globalization and the resurgence of nationalist ideology either as a response to globalization or the exigencies of historical events This crisis has been brought on in part by the very postmodernist and poststructuralist questioning of the ideologies upon which nation states construct themselves The central argument of the book is that postmodernist Greek writers question the idea of national identity based on both the impact of globalization and a reexamination of the discourses of national ideology they suggest a turn away from the traditional concerns with cultural homogeneity towards an acceptance of multiplicity and diversity which is reflected through experimentation with postmodernist literary techniques Consequently the unifying idea of this book is national identity as it is reconfigured in recent contemporary novels My analysis incorporates the view that metafiction is a borderline or marginal discourse that exists on the boundary between fiction and criticism The book illuminates the connections between the formal concerns of contemporary authors and the larger debates and philosophical underpinnings of postmodernism in general

Politics and the British Novel in the 1970s J. Russell Perkin,2021-06-15 The 1970s in Britain saw a series of industrial disputes a referendum on membership in the European Economic Community conflict about issues of immigration and citizenship and emergent environmental and feminist movements It was also a decade of innovation in the novel and novelists often addressed the state of the nation directly in their works In *Politics and the British Novel in the 1970s* Russell Perkin looks at social novels by John Fowles and Margaret Drabble the Cold War thrillers of John le Carr Richard Adams s best selling fable *Watership Down* the popular campus novels of Malcolm Bradbury and David Lodge Doris Lessing s dystopian visions and V S Naipaul s explorations of post colonial displacement Many of these highly regarded works sold in large numbers and have enjoyed enduring success a testament to the power of the political novel to explain a nation to itself Perkin explores the connections between the novel and politics

situating the works it discusses in the rich context of the history and culture of the decade from party politics to popular television shows *Politics and the British Novel in the 1970s* elucidates a period of literary history now fifty years in the past and offers a balanced perspective on the age revealing that these works not only represented the politics of the time but played a meaningful role in them

The Shadow of Creusa Anders Cullhed, 2015-04-24 Anders Cullhed's study *The Shadow of Creusa* explores the early Christian confrontation with pagan culture as a remote anticipation of many later clashes between religious orthodoxy and literary fictionality After a careful survey of Saint Augustine's critical attitudes to ancient myth and poetry summarized as a long drawn out farewell Cullhed examines other Late Antique dismissals as well as appropriations of the classical heritage Macrobius Martianus Capella and Boethius figure among the Late Antique intellectuals who attempted to save or even restore the old mythology by means of allegorical representation On the other hand pious poets such as Paulinus of Nola and Bible epic writers such as Iuvencus or Avitus of Vienne turned against pagan lies and the mighty arch bishop of Milan Saint Ambrose played off unconditional Christian truth against the last Roman strongholds of cultural pluralism Thus *The Shadow of Creusa* elucidates a cultural conflict which was to leave traces all through the Middle Ages and reach down to our present day
