Guns Of The Old West Charles Edward Chapel,2016-03-28 An Essential Compendium for Any Firearms or Old West Aficionado richly and comprehensively illustrated Written by one of the foremost firearms experts of the twentieth century Charles Edward Chapel s Guns of the Old West is an exhaustively researched document that not only boasts a significant collection of antique Western guns but also categorizes the firearms into easy to reference sections Starting with an introductory chapter on the origins of guns and their earliest uses on the frontier Chapel covers everything from muskets to rifles pistols to revolvers and shotguns to martial arms Three whole chapters are dedicated to the rise and fall of the famous Deringer pistol And as much as Guns of the Old West is an encyclopedic reference manual it also contains fascinating historical literature that frames the world in which these guns were used Buffalo guns and hunters are covered along with martial arms of the post Civil War era The gun collection of famous collector and hunter President Theodore Roosevelt is given its own chapter Illustrated with nearly five hundred illustrations as well as important artwork from the Western period from artists such as Frederic Remington Guns of the Old West is an essential work for gun collectors and American history enthusiasts *Smith & Wesson* David R. Chicoine,2004-01-01 Whether your interest in in martially marked examples or the colorful guns that won the West this is the book for you Both collectors and shooters will agree that the level of close up photographs showing the very markings and features that are discussed in the text This is the kind of hands on useful guide that will be your constant resource a true standard reference on all aspects of these fascinating sixguns No one with an interest in historical firearms can afford to be without it This is the story of the revolvers that made Smith a complete mechanical description comprehensive identification guides illustrations of all the parts instructions for disassembly reassembly and maintenance extensive hints for shooting and reloading instructions for gunsmithing and repair ammunition specifications **The Archaeology of the Logging Industry** John G. Franzen,2020-08-18 In this book John Franzen surveys archaeological studies of logging sites across the nation from the nineteenth and twentieth centuries explaining how material evidence found at these locations illustrates key aspects of the American experience during this era **A Legacy in Arms** Richard C. Rattenbury,2014-10-22 The history of American firearms is inseparable from the history of the United States for firearms have played crucial roles in the nation s founding westward expansion and industrial economic and cultural development This history unfolds in compelling words and images in A Legacy in Arms a volume that draws upon the collections of the National Cowboy Western Heritage Museum in Oklahoma City to trace the business and art of gun making from the early national period to the turn of the twentieth century With more than 200 images almost all in full color A Legacy in Arms not only documents the inspiration and innovation of arms makers from individual artisans to mass producers but also describes the development of decorative expression in the gun maker s art In an account both entertaining and enlightening Richard C Rattenbury details the development of commercial arms making from the genesis of the Kentucky

rifle to the arms of such iconic manufacturers as Colt Remington Smith Wesson Sharps Marlin and Winchester Into this narrative he weaves the particulars of design evolution and the impact of mass production via the American System The accompanying photographs and illustrations stand as eloquent testimony to the range and richness of the gun maker s craft and its rightful place in the story of American industry and culture *Famous Firearms of the Old West* Hal
