Visit Fodor's.com for more ideas and information, travel deals, vacation planning tips, reviews, and to exchange travel advice with other travelers.

**Skiing**, 1989-09      **Ski Trails and Wildlife** Eric Burr, 2008. Snow sports are usually the first step to learning about snow country wildlife, which is only as safe as knowledgeable people want it to be. Unfortunately, knowledge is too often lacking, and skiing is perceived as detrimental to wildlife. Reality is that skiing in all its many forms, from ski lift resorts to far-flung Scandinavian style ski touring, holds the keys to wildlife conservation and restoration. No amount of litigation can change this basic fact of life, although the Mineral King Case from the Supreme Court of the United States certainly changed the legal landscape for all environmental litigation. Mineral King's near miss at becoming another ski lift avalanche disaster area preceded Early Winters, another almost ski lift area which shares the honor of being a Supreme Court case and is the last chapter of this book. Olympic National Park is the other ski history explored so that the National Parks are given equal emphasis with America's National Forests and Canada's Crown Lands. An extensive bibliography also includes many electronically available sources. The language is not technical, and no prior experience with either skiing or wildlife is presumed. The book is primarily written for both skiing and wildlife enthusiasts who may not know much about each other. It is intended as a peace offering to hopefully prevent future ski wars and unnecessary trips through the legal system. That effort could be better spent restoring wildlife and the life support system of our circumpolar boreal forest.

**Fodor's 2009 Southern California** Fodor's, 2009-01-06. Detailed and timely information on accommodations, restaurants, and local attractions highlights these updated travel guides, which feature all-new covers, a dramatic visual design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation guidelines for shopping excursions, and other valuable features.
